

Attention

All 2nd Grade Parents!!!

As required by the State Board of Education, South Carolina School Districts are required each year to census test all students in grade two with a nationally normed aptitude and achievement measure. Provided by the State Department of Education, the Cognitive Abilities Test (CogAT – aptitude) and the Iowa (Achievement) will be administered from October 19th – October 30th.

Face to Face students will begin testing on Monday, October 19th through Friday, October 23rd.

Virtual students will be divided into two groups. The testing will be conducted for one group during the week of October 19-23 and the second group will be tested during the week of October 26-30.

All virtual students should receive a letter from RCES giving you the dates and times that your child will need to come to school to be tested.

Any questions call Angela Williams at 245-3043, ext. 1461 or Ann Boykin at 245-3043, ext. 1411.
