## February 20, 2020

February 25 – 27, all BCES students in 3rd, 4th, and 5th grades will complete the state mandatory online **field assessment**. This assessment is to help prepare our students for future online testing. Testing will start each morning at approximately 8:15 and will end at approximately 10:20. We ask that all students are present on these days and that no appointments are scheduled during this time that would require the student to be checked out of school. Once a student starts the assessment, it cannot be paused or restarted. If a student misses the assessment day they will have to make it up the following week. Thank you!

Family Reading Night is tonight, 5:00 – 7:00 in the BCES Library. Students may read and take AR tests. Light refreshments will be offered.

Monday, March 2, we will host a Parent Café in the BCES library from 5:30 -7:00. A full meal will be served. Parent Café is a session for parents to discuss issues that we all face daily. You can give input and gain knowledge from other parents. **You may RSVP to Kelly Wray at [kelly.wray@ballard.kyschools.us](mailto:kelly.wray@ballard.kyschools.us), however, reservations are not required.**
