

CBWPS Charmed Readers Reading Incentive Program

At CB Watson Primary, we believe reading outside of school is fundamental for a child's success in school. We offer an incentive program to help motivate our students to read at home. Your child will be able to earn awards and prizes for reading. Here's how our program works:

Pre-K students will earn a charm and treat for turning in a full reading log sheet.

K, *1st and 2nd grade students will receive a charm for every 10 books read and treats/prizes will be given at different increments.

*In 1st & 2nd grade, levels are taken into account. Students reading on levels A-G will count books. Students reading on levels H and up will count minutes (10 min. = 1 book)

**It will be each teacher's discretion on how books or minutes are recorded. Please find out from your child's teacher how reading outside of school should be recorded.

"Most Charm-ing" Readers Club-Students who earn 30+ Charms will receive a drawstring backpack with prizes and will be eligible to attend the "Most Charm-ing" Readers Luau in May

At the end of the year, in grades K-2nd special awards will be given to the Top Reader in each class. This will be the student with the most charms. Special awards will also be given to the student in each class who has improved the most in reading. It is our goal to encourage and motivate students to read outside of school.

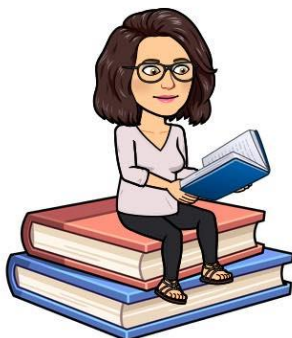

Please make sure your child reads at least 20 minutes each day.

Please visit our school's Media Center website for links to **FREE** eBooks that can also count towards our Charmed Readers program. <https://cbwp.hcbe.net/mediacenter>

When logged onto the SSO Houston County Portal, you may also visit our Virtual Media Center at <https://sites.google.com/hcbe.net/cbwps-media-center/home>

Thank you for supporting your child's literacy!

Mrs. Dawn Pace, CBWPS Media Specialist
