Study Abroad Programme

Study Abroad Package - Terms of Participation 2019/20

The Study Abroad Package is a combination of benefits, activated when a Study Abroad applicant accepts a place on the Study Abroad Programme at Liverpool Hope University.

When you accept a place on the Study Abroad Programme, you automatically accept the terms of the **Study Abroad Package**, which is designed to cover your needs while you are on campus. The Package includes a range of impressive benefits, wrapped up in one inclusive fee, so you do not have to worry about anything – we arrange the tuition, arrival, orientation, accommodation and catering for you.

Our international students live at the Aigburth Park accommodation campus, which is about three miles from the main teaching campus (Hope Park). Here, you will benefit from a number of impressive amenities: a large common room with table tennis and pool tables; a vending area; launderette; a computer room and pleasant gardens. The campus is very secure with a 24/7 Concierge plus a daily Reception service, Monday to Friday.

Living in Halls with other Liverpool Hope students gives you the best UK experience in a safe and convenient environment. All our accommodation is owned and managed by the University and is not rented from private accommodation providers.

Aigburth Park is located near to local shops, cafes and restaurants and the beautiful Sefton Park. With the city centre only fifteen minutes away by public transport and a free shuttle bus to classes, Aigburth Park has everything you need.

You will live near other international students in either St Julie's Hall with shared bathrooms, or St Michael's Hall with en-suite bathrooms (see prices below). In both Halls, you will have your own private study room in a shared apartment with a communal kitchen.

To apply for a room on Campus

Please complete the on-line accommodation application at www.hope.ac.uk/halls/

Room offers will be made by email and include the Accommodation Contract, which sets out the terms and conditions for living on campus. You must accept the Contract on line and pay a deposit of £200 to secure your room - this is refundable after departure (conditions apply) and is not part of the Study Abroad Package fee. Check with your Study Abroad Advisor whether the deposit for your University/College has been pre-paid or waived.

If you wish to upgrade to an en-suite room please email accommodation@hope.ac.uk after you have completed the on-line application.

You can change your mind up to one week after accepting the Accommodation Contract (and by association, the Study Abroad Package). After that, the fees and other conditions are legally binding.
