Dear Valued Supporter,

While COVID-19 thwarted our ability to provide a community festival in 2020, we are delighted to inform you that we are moving forward with plans for The Festival at St. John XXIII in 2021! While it may be slightly different due to the pandemic and the related challenges that come with keeping our community safe, we are dedicated to providing a great event that will bring our community back together and provide some normalcy for all of us!

Without our community’s support, we would not be able to keep The Festival affordable for all families. At this time, we are seeking donations for The Festival and are hopeful that you will support us in our endeavor.

What does your tax-deductible contribution do for St. John XXIII? During the past year, and despite many of our parochial and non-parochial counterparts being closed for in-person learning for at least part of the year, our school opened every scheduled day and provided critical face-to-face instruction for more than 400 students. As we were not able to hold other fundraisers during the 20-21 school year due to the pandemic, your contribution is more vital than ever in helping us to continue to provide cutting edge technology and educational programs while maintaining our beautiful 17 acre campus. It is critical in helping us continue to fulfill our mission of creating a positive educational environment that encourages students to be independent, critical thinkers who pursue success with humility and grace.

What does your tax-deductible contribution do for you? It provides advertising on-site during the festival or in our highly used and beautifully maintained gym for the entire year (whichever level you choose) for your organization! We expect turnout for this year’s Festival to be at record highs due to the pandemic and this being the first community event of its kind in more than a year! The reach for you is immeasurable, but sure to be outstanding!

The St. John XXIII family thanks you for your consideration, time, and hopefully, support! If you have any questions, please feel free to email us at festival@stjohn23school.org or contact the school office at 513-424-1196.
