Outdoor Contact Sports Opt-In Form

Updated 2/16/2021

This form is to be used by a school located in a county designated as High Risk or Extreme Risk to notify of its intent to opt in to offer outdoor contact sports for the 2020-21 school year in accordance with the Governor's February 10, 2021 update to [Outdoor Contact Sports Guidance](#). Once final, this form will be posted to a school or district website and a link to it will then be sent to ODE.

In Lower Risk and Moderate Risk counties, practices and games for outdoor contact sports, including high school football, can resume following health and safety guidance to be issued by the Oregon Health Authority.

In High Risk and Extreme Risk counties, where COVID-19 remains more widespread, schools and other sports organizations can opt-in to resuming outdoor full contact sports with additional protocols in place. In such counties, sports organizations must offer on-site responsive testing for symptomatic individuals and close contacts, contact information for contact tracing, and a waiver identifying health and safety risks and a commitment to isolation and quarantine if exposed to COVID-19. Schools in Extreme and High Risk counties must also have at least limited in-person instruction occurring, with the goal of achieving hybrid or full in-person instruction for students this school year. Schools must also be in compliance with state guidance for COVID-19 testing.

Please fill out the following information for your school, district or program:

Information Needed	Your Response
Name of School, District or Program	Seaside High School
Key Contact Person for this Plan	Aaron Tanabe
Phone Number of this Person	808-896-0555/503-738-5586
Email Address of this person	atanabe@seasidek12.org
Specify Outdoor Contact Sports Included in this Plan	Football
Intended Starting Date for this Plan	February 17, 2021

School Instructional Model

OHA Requirements

- The school must Offer, at a minimum, Comprehensive Distance Learning *with* Limited In-Person Instruction (LIPI), with the goal of implementing Hybrid or full On-Site Instructional Models for students before the end of the 2020-21 school year.
- Detail your school’s current instructional model and note the date it began.

Plan Details for School Instructional Model

Please enter the details of your plan that correspond to the requirements listed above:

Seaside High School is currently offering CDL with LIPI. The CDL model, where students have remote scheduled classes with teachers four days per week began on September 14, 2020. Limited In Person Instruction began at Seaside High School on February 10, 2021.

Seaside High School will begin Hybrid instruction on March 16, 2021. That date was selected to begin Hybrid instruction in conjunction with the beginning of our 3rd Trimester. Students will be enrolled in four classes during the term and attend classes two days in person and two days remotely. Classes will be concurrently streamed for students to access their classes four days a week.

On-Site Testing for Symptomatic Individuals and Close Contacts

OHA Requirements

- The school must offer on-site responsive testing for symptomatic individuals and those with known exposures to individuals with COVID-19. This applies to athletes and support staff and volunteers. Schools must also be in compliance with state guidance for COVID-19 testing.
- Detail your school’s specific plans to meet this requirement.
- Please review [COVID-19 Testing in Oregon’s K-12 Schools](#) for additional information.

Plan Details for On-Site Testing for Symptomatic Individuals and Close Contacts

Please enter the details of your plan that correspond to the requirements listed above:

The Seaside School district has enrolled in the state supported BinaxNOW testing program. The registration was submitted and accepted on February 12, 2021. We have also obtained 40 rapid tests from the local health authority to have on-site prior to the arrival of the tests that were ordered on February 12, 2021.

Any symptomatic student-athlete, coach, and support staff associated with the football program will be tested in accordance with the protocols outlined in the “COVID-19 Testing in Oregon’s K-12 Schools” document. We have identified a staff member to specifically work with the football program to ensure compliance with the outlined requirements. Joel Dierickx, an assistant football coach and faculty member, and our Athletic Director, Aaron Tanabe, will be our test administrators. Mr. Dierickx and Mr. Tanabe will complete all training modules outlined in the “COVID-19 Testing in Oregon’s K-12 Schools” document. The football program will ensure that a specific testing kit that includes the required PPE and available rapid tests are on hand at each practice and contest.

Contact Information for Contact Tracing

OHA Requirements

- The school must commit to collecting contact information for the purpose of contact tracing for each participant, coach, official, staff member, spectator, etc. for each outdoor contact sports practice and contest.
- Detail your school's specific plans to meet this requirement.
- Sample contact tracing forms:
 - [COVID Monitoring Form: Excel](#)
 - [COVID Monitoring Form: PDF](#)

Plan Details for Contact Information for Contact Tracing

Please enter the details of your plan that correspond to the requirements listed above:

Each participant as indicated above will complete an online Pre-Activity Screening Form that has been distributed to families via email and is available on-site via a QR code. A similar form is already in place for students and personnel currently entering our buildings. We have also required all coaches and student-athletes to complete this form prior to practices and training sessions that have been held throughout OSAA's Season 1.

The Head Coach and designated assistants will continue to provide access to the Screening Form at practices and contests to allow student-athletes, coaches, and support staff to access this screening form remotely. The Athletic Director or his designee will ensure all personnel on-site during contests complete the screening form upon arrival. Questions on the screening form include all questions on the sample COVID Monitoring Form published by the Oregon Health Authority. Responses submitted on this form go directly to a Google Sheet that is visible to coaches, the Athletic Director, and Athletic Secretary. Coaches are required to check the form responses before beginning practices or contests.

Student-Athlete Waiver

OHA Requirements

- The school must have a waiver completed for each student-athlete prior to outdoor contact sports participation identifying health and safety risks and a commitment to isolation and quarantine if exposed to COVID-19.
- Waivers must be kept on file at the school. Detail your school's specific plans to meet this requirement.
- [Sample Student Waiver Form](#)

Plan Details for Student-Athlete Waiver

Please enter the details of your plan that correspond to the requirements listed above:

Seaside High School has already required a waiver, consistent with the "Sample Student Waiver Form" provided by the OHA, that all student-athletes must complete prior to being allowed to participate in outdoor full-contact practices and contests.

These waivers will be collected and kept on-site by the Athletic Director and Athletic Secretary. These waivers are required to be submitted simultaneously with school participation forms.
