## Highlights from Letters to Power 88

Hey Kenny.

I am the guy that runs a little four-cylinder car in endurance races in Pensacola and Montgomery. I called you one night a while ago to play "Jesus Freak" on my way home from a race.

I can only say that Power 88.5 was a tool that God used to help me GREATLY about 25 years ago during what was an unwanted Divorce.

The first Christian concert I ever attended was put on by 88.5 the group "Truth" played at a water park off of Wilcox exit off of I-10. When I called the station about a ticket, I asked the very nice lady, (I think her name was Joy) if they were good? she asked me where I had been to not know about them. I laughed and explained "it wasn't in church". I attended several concerts put on by Power 88 over the next few years. I learned what the Lordship of Christ meant. I grew in my Faith and Faithfulness. I fought with God about a "Call to Preach" then surrendered and won! Sold my home in Pensacola quit my job and went to Florida Baptist College. God provided for all my needs (not wants) all the way through going to college after age thirty. I had been out of school longer than I had been in it, and I did not like it then. Got remarried to a wonderful Godly woman,

graduated with some Honors, waited for the Lord to open the door he had for me, and it was to be a Prison Chaplain. That is a little funny because in my family dad, one uncle and two brothers did or would do time in prison. One brother died while incarcerated, but God did Save him before his death. Not so sure about the others.

**I have been serving as a Chaplain for over 17 years.** and without POWER 88.5 I may/probably would not have held on to Christ.

I can't thank God enough for Wilbur Goforth and the DJ's, you included. The little car that I had been running has be placed in Automotive Hospice care with a DNR already sighed. :-) It finished 4th once 5th once and always made it into the top ten, God used working on it to restore my relationship with my only remaining brother. THANKS again for YOUR service unto the LORD. If I can ever help you let me know. Just wanted to send you some encouragement.

Sincerely, Chaplain

One of the most common mistakes parents make is **attempting to shield their teenagers from outside influences** rather than **equipping them to live in the real world**. But what could be wrong with parents trying to protect their kids?

While teenagers *do* need protection, what they really need is **guidance for navigating the land mines in today's culture**.

This November, Mark Gregston of *Parenting Today's Teens* is helping parents **release their kids into the real world** while giving them tools to stay the course as young men and women of God. Tune in Saturday November 16 to WBHY 840 AM 103.5 FM at 11:30 AM or 6:30 PM as Mark speaks on this important topic.
