ARTICLE 1 - RECOGNITION AND STATUS OF AGREEMENT

- A. The Board recognizes the Association as the exclusive bargaining representative for all full time or regular part time licensed employees and the nurse employed by the District exclusive of substitute employees, retirees, supervisors and administrators or any other person engaged in direct administration and supervision of professional employees and temporary licensed employees except as provided herein.

Non-PERS paying retirees who are rehired shall be considered members of the bargaining unit. They shall be eligible for one paid sick leave day per month. All other rights and guarantees of the negotiated agreement shall apply except for Article 9- Layoff/Recall, Article 10-Leaves of Absence, Article 11-Tuition Reimbursement.

- B. **Temporary Employee.** Any employee who has been employed to fill a position designated as temporary or experimental or to fill a vacancy which occurs after the opening of school because of unanticipated enrollment or because of the death, disability, retirement (except as specifically set forth below), resignation or dismissal of a contract or probationary employee, or for a employee on approved leave of absence.

Temporary employees working between one and 60 consecutive work days in the same position will not be considered part of the Rainier Education Association bargaining unit. Beginning day 61, temporary employees will be considered a member of the Rainier Education Association bargaining unit for all aspects of this Agreement, excluding unpaid leaves.

For the purpose of this definition, "days" shall mean working days.

- C. **Duration of Agreement.** This Agreement and any Letters of Understanding shall be effective as of July 1, 2020 and shall continue in effect until June 30, 2021. All terms and conditions shall terminate on the date indicated subject to the District's obligation to maintain the status quo under ORS 243.712(2)(d).
- D. This Agreement is subject to amendment, alteration or additions only by a subsequent written agreement between and executed by the District and the Association. The waiver of any breach, term or condition of the Agreement by either party shall not constitute a precedent in the future enforcement of all its terms and conditions.
- E. The intent of this Agreement is to set forth and record herein the basic agreement between the parties on those matters pertaining to wages, hours and conditions of employment for those employees who are included within the Association's bargaining unit.

The representatives of the Association, the Board, and Supervisory Personnel shall meet two times each year of the contract to discuss concerns related to employment in the District. The president of REA and the superintendent shall jointly prepare an agenda which shall be mailed to the officers of REA, the Board, administrators and supervisors at least one week prior to each meeting date. The purpose of these meetings is to facilitate communication between the Board and the Association. It is not for the purpose of bargaining or changing District policies.

Prior to the adoption by the Board of any new or revised policies affecting wages, hours or conditions of employment, the superintendent shall notify the president and president-elect of the Association by providing them with a copy of the board agenda and a copy of the proposed policy changes.

- F. **Separability.** In the event any words or sections of this Agreement are declared to be invalid by any court of competent jurisdiction, by Employment Relations Board ruling, by arbitration, by statute, or constitutional amendment, or by inability of the employer or the employees to perform to the terms of this Agreement, then upon request by either party, the invalid words or section of this Agreement shall be reopened for negotiations under the provisions of ORS 243.698.
- G. The Association will be responsible for acquainting new employees with the availability of membership in the Association. The District will be responsible for informing new employees of conditions of employment in the District.

There shall be two signed copies of the final Agreement for the purpose of records. One shall be retained by the District and one by the Association. Within six weeks following final ratification of this Agreement by both parties, the Board and Association agree to post both the contract and salary schedule on the web site.

- H. **Administrative Intern.** Any member who is enrolled in an administrative program may request permission to complete an internship in the District, and/or may request a one year leave of absence from a unit position to take an administrative intern position, without loss of seniority. While fulfilling duties as a licensed teacher, the intern shall be considered a member of the bargaining unit.

- E. "Representative" is the one who may speak for and/or advise a party in interest.
- F. "Immediate Supervisor" is the one who has direct administrative responsibilities over the grievant in the areas of grievance as stated by the Board. - G. "Days" when used in this article shall, except where otherwise indicated, means the grievant's working days, except when grievances occur during the summer and "days" shall mean the District business days.
- H. "Association" is any organization representing the licensed personnel which has been elected by a majority vote of the respective employees.

Section II - General Procedures

- A. These procedures should be processed as rapidly as possible; the number of days indicated for settlement or appeal at each level should be considered a maximum. Time limits will not be extended except by mutual agreement of the parties involved at any level of the procedures.
- B. All parties should attempt to complete the procedures by the end of the school year. The parties shall make an effort to shorten the number of days provided at the various steps in order to finish by the end of the school year and avoid, if possible, carrying the process into the summer vacation period or the following school year.
- C. All parties in interest have a right to consultants or Association representatives of their own choosing at each level of these grievance procedures.
- D. There shall be no restraint, interference, discrimination or reprisal exerted on any employee choosing to use these procedures for resolution of grievance.
- E. Failure at any level of this procedure by the grievant to appeal a grievance to the next level within the specified time limits shall be deemed to be acceptance of the decision rendered at that level. Failure at any level of this procedure to communicate the decision in writing on a grievance within the specified time limits shall permit the grievant to proceed to the next level.
- F. All documents, communications and records of a grievance will be filed in the school district office separately from the personnel files. References to the records, such as a summary, should be placed in the appropriate personnel file(s).
- G. Forms for processing grievance shall be prepared by the Superintendent or his designated representative in cooperation with the Association and will be printed and given appropriate distribution by the parties so as to facilitate operation of the grievance procedure.

However, if the grievant did not become aware of the occurrence until a later date, then he/she must initiate action within 15 days following first knowledge or when the grievance should have known of the cause. In failing to thus initiate action, he/she may be considered to have waived the right to pursue his/her grievance.
- M. The grievance procedure will not be used while a grievant is under the jurisdiction of the courts or has resorted to the judicial process.

Section III - Levels of Grievance

Level I: Informal and Formal Grievance Level

Informal

The grievant will first discuss his/her grievance with the principal or immediate supervisor, either individually or through the school grievance representative or accompanied by a representative, with the objective of resolving the matter informally. The grievant must initiate the informal step within fifteen (15) days following an act or condition which is the basis of the complaint, or within fifteen (15) days of first knowledge of such act or condition. The supervisor will render a decision within seven working days of the informal meeting.

Formal

If the grievant is not satisfied with the disposition of his grievance, the grievant may file a written grievance with his immediate supervisor (who has administrative authority to act) within seven working days following the receipt of the supervisor's disposition at the informal level, or if no disposition is received, within seven working days following the informal meeting with the supervisor. This complaint shall set forth the grounds upon which the complaint is based, the article of the contract that has allegedly been violated, and the reasons why the grievant considers the decision rendered is unacceptable. The immediate supervisor shall communicate his/her decision in writing to the grievant within seven working days of receipt of the written grievance.

If the grievant is not satisfied with the decision of the immediate supervisor, he/she may file a written appeal with the Superintendent within seven days from the receipt of the immediate supervisor's decision. The appeal shall state the grievant's reasons for appealing the decision of the immediate supervisor, the original grievance form, and the request to appeal to Level II.

Level II: Appeal to Superintendent

Appeals to the Superintendent or his representative shall be heard by the Superintendent or his representative within seven working days of receipt of the appeal. Written notice of the time and place of the hearing shall be given five days prior thereto to the grievant, or his/her representative.

Attendance at the hearing of the appeal shall be restricted to persons officially involved. Parties in interest may elect to call witnesses who shall appear individually at the hearing.

Within seven working days of hearing the appeal, the Superintendent or his representative shall communicate to the grievant and all other parties officially present at the hearing his written decision, which shall include supporting reasons therefore.

If the grievant is not satisfied with the decision of the Superintendent, he may file a written appeal with the Superintendent within seven days from the receipt of the Superintendent's decision. The appeal shall state the grievant's reasons for appealing the decision of the Superintendent and request appeal to Level III.

Level III: Appeal to the Board of Directors

Within 15 working days of receipt of the appeal, the Board of Directors will notify all official parties of a hearing to be held at the next regularly scheduled Board meeting that is at least seven days from the date of appeal, or a special meeting called by the Board within seven days from the date of appeal. The Board of Directors shall hear arguments of the grievant and the Superintendent. At the request of the grievant, the hearing before the Board shall be a public hearing.

Within seven days following the hearing, the Board of Directors shall render a decision in writing to all official parties.

Any step in the grievance process may be waived by mutual agreement.

Level IV - Arbitration

If the grievant is not satisfied with the disposition of the grievance at Level III, the Association may, by written notice to the Superintendent within fifteen days, submit the grievance to binding arbitration. The arbitration will be conducted in accordance with the Employment Relations Board (ERB) arbitrator's rules.

Within fifteen days after written notice of submission to arbitration, the Superintendent and the Association shall attempt to agree upon a mutually acceptable arbitrator and to obtain a commitment from such arbitrator to serve. If the parties are unable to agree upon an arbitrator or to obtain such a commitment within the fifteen day period, a request for a list of arbitrators may be made to the Employment Relations Board. The parties shall then be bound by the Employment Relations Board Rules in the selection of an arbitrator.

The arbitrator so selected shall confer with the representative of the Association and the Superintendent and hold hearings promptly, and shall issue his decision. The arbitrator's decision shall be in writing and shall set forth his findings of fact, reasoning and conclusions on the issues submitted. The arbitrator shall be without power or authority to make any decision which requires the commission of an act prohibited by law or which violates the terms of this Agreement. The decision of the arbitrator shall be submitted to the District and the Association and shall be final and binding upon all parties.

2. Was the District's rule or managerial order reasonably related to (a) the orderly, efficient, and safe operation of the District and (b) the performance the District might properly expect of the employee?
 3. Did the District before administering discipline to an employee make an effort to discover whether the employee did in fact violate or disobey a rule or order of management?
 4. Was the District's investigation conducted fairly and objectively?
 5. At the investigation did the investigator obtain substantial evidence or proof that the employee was guilty as charged?
 6. Has the District applied its rules, orders, and penalties evenhandedly and without discrimination to all employees?
 7. Was the degree of discipline administered by the employer reasonably relative to (a) the seriousness of the employee's proven offense and (b) the record of the employee in his/her service with the District?
- B. Any violation of these standards may be used as the basis for a grievance; however, this article does not apply to the dismissal of employees or the non-renewal of probationary employees' contracts. Such matters are excluded because they are governed by the Fair Dismissal Law.
- C. **Right to Association Representation.** An employee shall have the right to have REA/OEA Association representation of his/her choice when meeting with an administrator over any issue which the employee reasonably believes may lead to discipline. Reasonable accommodation will be given in the scheduling of the meeting. At least 24 hours' notice shall be given if outside representation is sought.
- D. **Personnel Files.** Each employee shall have the right, upon request, to review the contents of his/her own personnel files exclusive of materials received prior to the date of his/her employment by the District. One representative of the REA/OEA Association may, at the employee's request, accompany the employee in their review.
- E. No evaluation, complaint or written record of disciplinary action shall be placed in the file until the employee has had the opportunity to review such materials and affix his/her signature to the copy filed. Such signature in no way indicates agreement with the contents thereof. The employee may respond to any item placed in such personnel file and said response shall become part of said file, within 30 calendar days.
- F. **Employee Criticism.** Employees shall not be criticized in the presence of others. Criticism is defined as a statement which could possibly lead to disciplinary action.
- G. **Complaints.** Complaints from patrons/parents will be processed according to District policies KL, KLC or KLD relating to complaint resolution. The policy shall contain a requirement that the complaint is signed by the complainant and that the complaint will be processed in a timely manner. The District shall maintain a policy (KL) relating to complaint resolution for a three-year

period. Any claim of violation of this policy may be grieved to the Board level but not to arbitration or the basis of a complaint to the Employment Relations Board.

- H. **Building Discipline Plans.** Each building principal will develop and distribute a written discipline plan; this plan may be included in the student handbook and distributed in that format or another of the district's choosing. The plan shall include provisions for students with special needs, and all student discipline shall be in accordance with each building's written discipline plan.
- I. **Safety Procedures.** The District will annually inform bargaining unit members of District employees who serve on the Safety Committee. It shall be the responsibility of the Safety Committee to publicize appropriate safety procedures as needed and to respond to individuals on action taken on submitted concerns.
- J. **Reassignments, Transfers, and Vacancies.** A reassignment is a change of assignment within a building, prior to an open position announcement. A transfer is an opening within the district and which internal applicants shall be considered prior to a vacancy announcement. A vacancy is defined as an open position that cannot be filled through the transfer of a current qualified staff.
 - 1. Open positions shall be posted internally on the District website and posted to each employee's district email for five days prior to announcing a vacancy for outside applicants. The posting may be reduced to two days from August 1 through the remainder of the school year for positions to be filled for that school year. Where teachers are employed on temporary contracts, pursuant to ORS 342.815, the District shall reopen the position in the spring for the subsequent school year.
 - 2. An in-district applicant who is not selected shall be informed in writing of the reasons they were not selected based on criteria established. Notification shall be at least 24 hours prior to the public announcement of an in-district hire or 24 hours prior to the external posting.

ARTICLE 6 - WORKYEAR

It is recognized that the District has the responsibility to set the annual school calendar. Prior to the adoption of the calendar, a proposed calendar will be referred to the Association for advice and recommendation.

- A. The contract year shall consist of 187 days, including two employee workdays at the beginning of the year, one staff in-service day, three days to prepare grades, one employee workday at the end of the year, and six paid holidays.
- B. Paid Holidays shall be: (1) Labor Day, (2) Veteran's Day, (3) Thanksgiving Day, (4) Christmas Day, (5) New Year's Day, and (6) Memorial Day.
- C. Statewide Professional Day is a non-contract day. Mileage and expense reimbursement for authorized travel to attend conferences on this day shall be pursuant to Article 19.
- D. When schools are closed because of inclement weather, ice, snow or other emergencies, or hazardous conditions, employees shall not be required to report to work. However, the District

may require that employees make up all lost days or extend the work day due to such closures. Staff will be informed of make-up days, not later than May first, or within one week of school resuming should the closure occur after May first.

ARTICLE 7 - WORKDAY

An official work day shall be seven and one-half hours per day plus an unpaid half-hour duty-free lunch, unless the district has a need to extend the work day to make-up academic time due to inclement weather or emergency closure. This extended time may not exceed a half hour per day.

Prior to the beginning of each school year the building administrator(s), with input from teaching staff at each school, shall annually develop and publish a daily schedule. All staff will report at the designated time for district-wide meetings.

Full time employees shall have each week for use for preparation time 150 minutes free of classroom and supervisory responsibilities within the student contact day. Regular classroom employees on the elementary level shall not be required to remain with their classes while instruction is being conducted by a specialist hired for such purpose. Employees working less than full time shall have a prorated amount of preparation time based upon the employees' percentage of full time work.

ARTICLE 8 - DUES AND PAYROLL DEDUCTIONS

- A. The Board agrees to deduct from the salary of the employee insurance programs, deductions payable to OnPoint Community Credit Union, United Way and employee's Tax Sheltered Annuity (Sec 403(b)) Account and direct deposits of monthly net wages to institutions of the employee's choice.
- B. Monies shall be transmitted within three business days of payday to the OnPoint Community Credit Union and tax sheltered annuity accounts. Employee authorizations for deductions must be in writing and shall continue in effect until a written request for change or termination is received by the District. It is the responsibility of the individual employee to determine the correctness of the payments and deductions.
- C. Fair Share
 - 1. Prior to the first dues deduction of the school year, and then for any employee who becomes a member of the Association after the start of the school year, the Association shall notify the District of bargaining unit members who have elected to have dues deducted from their paychecks and shall identify the dues to be deducted from each. The Association shall also notify the District when a bargaining unit member should no longer have dues deducted. The District shall enact dues deduction changes on the pay period following a notification. Dues deducted shall be transmitted to the Association and to OEA within five (5) working days of deduction.
 - 2. Employee List: Along with the monthly dues remittance to OEA, the District shall provide to the OEA Membership Specialist an Excel-compatible database with the name of each employee from whom dues deductions have been made, the amount of the deductions, the last four digits of the employee's social security number and/or the employee ID number.

3. By November 1 of each year, and thereafter upon request, the District shall provide to the Association an Excel-compatible database of each employee in the bargaining unit (both active members and non-members) that includes the employee's name, date of birth, first date of service, FTE, classification or title, PERS classification, worksite, position on the salary schedule, residential address, and personal phone number. Whenever a new employee is hired into the bargaining unit, the District shall provide the above information within thirty (30) days of hire. In addition, the District shall provide to new employees a packet of information provided by the Association.
4. Change in Employment Status: The District shall promptly notify the OEA Membership Specialist whenever an employee in the bargaining unit is placed on an unpaid leave of absence, retires, is laid off, resigns, or changes their name.
5. **Save Harmless Clause**. The Association agrees to indemnify and save the Board, and including each individual school board member, harmless against any and all claims, demands, costs, including unemployment compensation, suits or other forms of liability, including back pay and all court or administrative agency costs, that may arise out of or by reason or action by the Board for the purpose of complying with this agreement.

ARTICLE 9 - LAYOFF

When in the judgment of the District it becomes necessary to reduce, through layoff, the number of employees employed, it shall first determine the programs to be retained. The District agrees that such reduction in force shall be made in accordance with the following procedures. This Article shall apply to probationary employees only when non-renewal, dismissal or layoff are for reasons non-personal to the employee, i.e., reduction in force. Nothing in this article shall be construed so as to interfere with the Board's right to dismiss or non-extend a contract employee pursuant to the provisions of the Accountability for Schools in the 21st Century Act or to dismiss or non-renew a probationary employee pursuant to ORS 342.835.

- A. **Layoff**. Reductions in force will be based upon seniority, certification and competence as defined herein. Whenever the Board determines that a layoff is necessary, it will notify the Association. As soon as practical, notice will be given to the affected employees of their layoff.
 1. When a reduction in force necessitates a layoff, employees shall be laid off in reverse order of seniority, subject to the conditions of Paragraph 3, a, b and c of this section.

The District shall make every reasonable effort to transfer all employees whose positions are eliminated to a position for which they are licensed and qualified as defined by the competence section of this article.

2. Seniority shall be defined as the employee's total length of continuous service in the District as a licensed employee. Seniority will be computed and accrue from the employee's first date of service in a bargaining unit position, and shall continue to accrue during paid leaves. Seniority shall not accrue during unpaid leaves of absence, but authorized unpaid leaves of absence shall not be considered to "break" continuity of employment. Ties may be broken by drawing lots according to state law.

3. The Board will determine the employees to be retained by means of the following criteria:
 - a. A determination of which employees hold the proper licensure to fill the remaining position(s);
 - b. A determination of the seniority of employees;
 - c. If the District, in addition to complying with the provisions of this Article, elects to consider "competence" as a layoff/recall factor, the District will comply with ORS 342.934(8) and ORS 342 934(9)(a). For the purpose of administering the term "competence", the parties define the word "recent" and the terms "grade level" and "educational attainment" as follows:

Recent: Within the past five years or within the last seven years if there has been four quarter credits of applicable training regarding the subject or grade level within the past five years.

Grade Level: Each of the following grade level clusters shall be considered a "grade level": K-8, 5-9, 7-12

Educational Attainment: Means an employee is licensed in a given subject or endorsement area at the time that a layoff is declared but has not met the recent teaching experience requirement, and is willing to complete additional training and educational preparation equivalent to eight credit hours prior to the beginning of the new school year. The eight credit hours must be approved by the District.

4. Upon request by the Association, the District will provide the Association with a list showing the seniority of each employee, who is a member of the bargaining unit, employed by the District.
5. No teaching position in the District shall be considered "vacant" for purposes of ORS 342.934(5), if filling the position with a non-extended administrator would cause another employee to be laid off, or if there is a licensed and qualified employee on the recall list who would otherwise be entitled to be recalled to that position.

If an administrator with prior teaching experience in the District voluntarily returns to teaching in a reduction in staff situation, the administrator will be held to the same standards of competence, recency of experience and educational attainments as any other licensed employee.

6. Employees covered by this article will have the option to continue insurance programs at their own expense subject to the approval of the insurance carrier.
7. Employee benefits do not accrue during the time of layoff, nor will such time count toward the fulfillment of time requirements for acquiring contract employee status.
8. At the time of RIF the licensure and position of the employee will determine his/her status as a full or part-time employee. A part-time employee between .5 and .99 shall be assigned within those time limits, but shall have no rights to bump a whole 1.0 position.

B. Recall

1. If within 27 months of a layoff a vacancy occurs within the District, the following recall procedure shall be followed:
 - a. Employees will be recalled in inverse order of layoff subject to the criteria in Section A, paragraph 3, of this article.
 - b. At the time of layoff, the District shall provide an opportunity for laid off employees to express in writing a desire to return to the District. The District shall also receive the employee's address for recall notification. In the event of a recall, the District shall notify the employee (who has expressed a desire to return to the District) of the recall by certified mail, return receipt, sent to the last address given by the employee to the District office. The employee will have ten calendar days from the date of postmark to deliver in person, or to send by certified mail to the District, a letter of intent to accept or reject the position. The employee will have an additional 30 calendar days from the personal appearance or date of postmark of the acceptance to begin active employment.
 - c. Any employee who does not accept a recall will lose all further rights and will be deemed to have resigned from District employment.
 - d. Upon return to active employment, all District benefits to which an employee was entitled at the time of layoff, including unused accumulated sick leave, sabbatical eligibility and seniority, will be restored to the employee.

Recalled employees will be placed on the proper step of the salary schedule for their current position according to experience and education. Employees who worked one half or more of the school year in which the layoff occurred shall accrue credit for the full year for the purpose of determining experience.

Employees who worked less than one half of the school year shall not accrue credit for the full year for the purpose of determining experience.
