Dear Parent or Guardian:

The Barbour County School System is in the process of developing system level and school level websites. The websites will be a valuable means to keep parents and the community informed about what is going on at our schools.

At times, we may want to include photos of our students. Students' whole names will not be included with the pictures. First names only will be used for the student's protection.

You need to complete the form below and return to your child's school no later than February 10, 2012.
