

zoom A Quick-Guide for WMES Families

WMES will be using Zoom this year. It's an easy-to-use platform for hybrid learning that will let you see and hear your classmates, no matter where they are!! Check out the picture guide below to understand how it works.

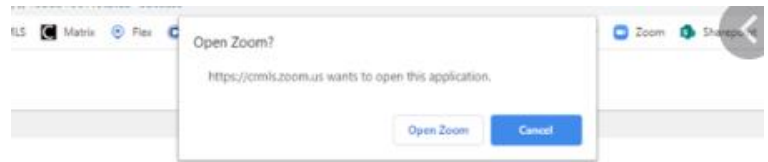

Step 1

Click on the meeting link your teacher emails you or posts in Google Classroom.

Step 2

Press "Click Here" to launch the meeting.

Launching...

Please click **Open Zoom Meetings** if you see the system dialog.

If nothing prompts from browser, **click here** to launch the meeting, or download & run Zoom.

If you cannot download or run the application, start from your browser.

Your video will turn ON automatically when the meeting starts

Please wait for the host to start this meeting

Start: 11:00AM

Morning Meeting

If you are the host, [sign in](#) to start this meeting

Test Computer Audio

***If you see a message like this, no worries!
The teacher will be online soon to let you in the meeting. Keep your audio on, and you'll know when class is starting.***

Pro Tip!

Headphones help with background noise!

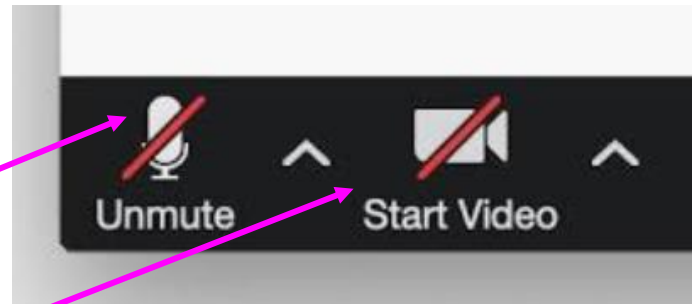

A Quick-Guide for WMES Families

Step 3

When you join the meeting, your teacher probably has it set for you to be muted.

You can click “Unmute” to talk.

You can click “Start Video” so everyone can see you. :)

Step 4

When your teacher tells you it's time to go to your next class, click “Leave Meeting” in the bottom right hand corner of your screen.

Pro Tip!

Accidentally leave the meeting too early? No worries! Just rejoin by going back to the original meeting link in your email or in Google Classroom. Be patient--your teacher will need to let you back in.

QUICK DISCLAIMER: Zoom is a great way to help you and your classmates feel a sense of community during hybrid learning, but **JUST REMEMBER** that all major school rules and expectations apply on Zoom that would apply in a classroom. Also, if we have any ongoing bandwidth issues with whole-class Zoom sessions, we have a backup plan to keep you all connected!
