

AISD AES District Needs Assessment 2019

Please list at least 5 Needs (no more than 10) for your district. Not every need will be addressed by a goal or activity. However, do include any "needs" that will be addressed by SMART goals in programs the district receives funds.

1. Safe and Secure transition areas between main building and outside buildings (Gym, Music, Playground, etc)
2. Assessment score improvements in the areas of Reading and Math - see the Smart goal
3. Additional resources and supplies to aid in the process of maintaining and gaining improvement in the subgroup areas of both Math and Reading.
4. Additional small group work areas for students and meeting areas for parent conferences and private meeting spaces for ARD's or faculty meetings.
5. Continued support in hiring and retaining highly qualified staff members to support the curriculum and ever changing needs of our student populations.
