Superintendent's Report

Mrs. Serino read her report.

1. **Kindergarten Happenings:**

The Kindergarten Center has been a busy place this past month. On February 21st we celebrated **100 Days of School!** The Kindergarteners were welcomed into the building with some chalk decorations commemorating the 100th day thanks to some friends from the Intermediate Center. TJ Kearns and Nathan Ambrosino helped decorate the sidewalk in front of the school.

Exeter, PA.

March 28, 2017

The day was filled with many “100” activities.

The students were able to read **100 words**, see how far **100 steps** would take them, do **100 exercises**, jumping jacks, side twists, sit ups etc....

It just so happened that this marking period in Math the students are learning their numbers to 100. To incorporate this into their day they also had to build a 100 cup structure and a 100 paperclip chain. This is easier said than done. They also made either a 100-bead necklace or a 100 fruitloop necklace (only a few of these made it home intact. They were delicious!)

One of their favorite activities the students participated in was in Science. The students had to **hypothesize** what **100 drops of water** would look like in a plastic cup. Most thought the cup would become full or overflow. When they actually got to test out their hypotheses 100 drops barely fills $\frac{1}{4}$ of the cup. They were very surprised by this. Here they are using a dropper to fill their cups.

2. Dr. Seuss's Birthday

During the week of March 2nd we celebrated Dr. Seuss's Birthday. The JFK Kindergarten Center celebrated his works by honoring different Dr. Seuss books each day and the children dressed in certain colors or ways. The children really enjoyed the week.

3. 6th Grade Students from the Intermediate Center came over and read to all the kindergarten classes on his birthday, March 2nd. They did a GREAT JOB!

4. The High School Baseball team also came to read to the kindergarten students. Some were even good sports and wore Dr. Seuss's hats. The students really enjoyed them.

March 28, 2017

5. The Intermediate Center celebrated Read Across America week by having five celebration days to celebrate Dr. Seuss. The most interesting of all was Tuesday, “Whoville Crazy Hair Day.” In addition, the PTO sponsored a Book Fair on Wednesday, March 1st. On Thursday, the cafeteria honored Dr. Seuss with green eggs and ham. The Student Council also volunteered their services to read to the Kindergarten students in our district.

6. Congratulations to the following secondary center students who competed at the PMEA Region Band Festival at Central Columbia this past weekend:

- Jessica Hopkins – 1st place flute
- Ben Klaproth – 1st place trumpet
- Miranda Jones – 2nd place bass clarinet
- Kaleigh Shission – 2nd place contra clarinet
- Laura Sachaczinski – 3rd place clarinet II
- Cassie Button – 3rd place trumpet
- Lea Getz – 3rd place baritone
- Candace Bullaro – 6th place clarinet III

Both Jessica Hopkins and Ben Klaproth were selected to perform with the 2017 PMEA All-State Band in Erie, PA in April.

The students are directed by Mrs. Riley.

7. Ice Hockey Captains and Assistant Captains, Brendan Lee, Alex Chronowski, David Alberigi and Aaron Dobbs would like to take this opportunity to thank everyone for their support throughout their high school hockey career. Congratulations!!! They are here this evening.

8. Wyoming Area School District is the proud recipient of two grants from the Wal-Mart Community Grant Program. The first grant, awarded in the 2015-2016 school year, provided \$2,500 to our Intermediate Center Library to support our newly created English Language Arts Curriculum. Through a collaborative effort with the librarian of the West Pittston Library, Summer Belles, and the Wyoming Area School District, Charlene Berti, high-interest books on a variety of reading levels were selected and purchased to enhance our students’ research skills and their overall learning experience.

The second grant, awarded in the 2016-2017 school year, provided \$2,500 to our district which allowed us to purchase thirteen Chromebooks for our Eighth Grade Writing and Communications Course. The Chromebooks have provided an important component that will allow us to redesign the Writing and Communications Course curriculum to focus on Career Pathways, technical writing and STEM activities. Teachers will utilize Google Classroom and will develop cross-curricular projects meant to engage students in writing and communication in an effort to help them build connections to their future studies and career interests.

Thank you to Roger Orlandini and the Wal-Mart Foundation!!!

9. For the 25th consecutive year, the Wyoming Area High School and Middle School Science Olympiad teams have qualified for the state competition. No other team in the Northeast Region has even come close to this milestone accomplishment. It has certainly taken an “everybody on board” commitment by our entire science department, our administration, our school board, and of course our incredibly dedicated students. Here tonight to demonstrate their “Robot Arm” are Wyoming Area senior members Bobby Butwin and Kara Dooner. Kara and Bobby have already won 3 gold medals in this event. Robot Arm is just one of 46 different events that our students must prepare for. The state competition is on Saturday, April 29th at Juniata College.

Mr. Yorina praised the students for the great job they are doing.

10. Our school librarian, Charlene Berti, is here to read the proclamation about school library month.

Student Representative's Report

Emily Uritz read the report.

FBLA is going to states next week, Jess Hopkins and Ben Klaproth made it to PMEA All-State Band, Lacrosse has their first scrimmage on Thursday, Track has their first meet Tuesday, LEAP plans to distribute and install their Bat Boxes towards the middle of April, senior class has been given verbal permission for their Spring Fling fundraiser to benefit the Prom, Science Olympiad- both the high school and middle school teams won several medals and qualified for States on April 29th, Scholastic Team competed and placed 1st among Luzerne Intermediate Unit Schools and 3rd overall. The televised matches will air in May. They also placed third in the NEPA high school challenge at Mountain View high school this past Saturday. Shore Bowl – two teams competed at Rutgers University in New Jersey for the Regional Shore Bowl Competition. The Drama Club closed its successful run of The Addams Family this weekend.

Mrs. Serino stated that the play was excellent!

Motion by Mrs. Yochem, second by Mr. Yorina, to accept the finance report.

ON the Question: John Pegg of West Wyoming and Tom Melone discussed the budget. Mrs. Valenti stated she didn't have a problem with the contract except for an item she wanted to be taken out. The problem she had with health insurance. The cost of health insurance for teachers is 2.5 million a year that includes the opt out insurance which averages about 128,000 per year. Over a three year contract the district would pay 7.5 million that doesn't include any premium increases. If the teachers paid an average of \$50 per month, the premium would be \$600 per year. There are people on medicare and secondary insurance that are paying \$600.00 per month. If the teachers paid \$600.00 per month the district would save \$80,000 a year and over a three year contract would save \$240,000. For this reason, Mrs. Valenti stated she could no vote for the teacher's contract for this reason. She is representing the taxpayers.

Exeter, PA.
March 28, 2017

Carl Yorina stated Harrisburg does not have a clue of what's going on and are no way where they need to be. You cannot limit what you can raise your taxes too, to provide a quality education, salary and benefits and at the same time say you have to freeze your contribution over a period of years. It doesn't make sense but that is what they are forced to do. Mr. Yorina stated he could respect what Mrs. Valenti is saying. What we have to do is go to our legislatures and say "2.5 million dollars for health care for less than 200 people?" That's where the anger should be directed not at each other. If you want to have a world class organization, you have to pay world class salaries, offer world class benefits. You have the best people coming here and they stay. Mr. Yorina stated he would vote yes but with reservations.

Mrs. Gober-Mangan stated that this professional staff is that, professional and they truly see what this board goes through trying to fund this great school, Wyoming Area. Mrs. Gober-Mangan commended the students and stated whether it's science, sports, or the arts, we embrace all that and we don't want to see that go away and the community service, that is incredible. Mrs. Gober-Mangan thanked the professional staff for what they recognized and completed. There were a lot of strides made. Mrs. Gober-Mangan stated from the bottom of her heart she is appreciative.

Attorney Ferentino explained the revisions to the professional contract to Mr. John Pegg and the audience. They will take a true freeze for the 16/17 year. There will be no salary increase and no movement on the step chart. That means everyone holds on the number and where they stand on the chart. In the 17/18 school year, it's in step only increase. In the contracts of the past, in addition 18/19 school year, it's in step only increase. If you are familiar with past contracts included steps and plus a percentage increase. That is not the reality of this current contract. This is a freeze, step, step contract.

Roll Call: Mrs. Valenti voted no on item #8 and yes on the remaining report. Dr. Campenni, yes, Mr. Bolin voted no on item #8 and yes on the remaining report. Mr. Stofko, yes, Mr. Yorina, yes, Mrs. Yochem, yes, Mrs. Farrell, yes, Mrs. Gober-Mangan, yes.

Motion passed.

Education Report

Mr. Yorina read the Education Report.

1. Reporting as per Federal Regulations Requirement that the District's Federal Programs (Title I, Title II, and Drugs and Alcohol) have been planned for the 2016-2017 school year. Anyone desiring information regarding these programs, contact Janet Serino, Superintendent, at the District's Business Office.
2. Approve the revised professional substitute list for the 2016-2017 school year.
3. Approve the agreement between Wyoming Area Education Association and Wyoming Area School District to allow any member of the professional staff to voluntarily donate one sick leave day to Michael Pasquariello.
4. Approve the request of Jessica Turner, Elementary Teacher, to take a maternity leave on or about April 3, 2017 with an anticipated return date of June 5, 2017.

6. Approve the revised school calendar for the 2016-2017 school year.

7. Approve Math 11/12 course that covers topics for students planning on entering the work force, attending a community college and/or trade school that will need to be successful in those choices. Topics include: financial transactions encountered in life, consumer math, and review of basic math skills needed to be successful in life. Recommended Prerequisite: Successful completion of Algebra I and Geometry.

Motion by Mr. Yorina, second by Mrs. Valenti, to accept the education report.

On the Question: Dr. Campenni asked on item #7 who will take that class. Mrs. Rosencrans responded this course will be for students who may not attend college. If a student is attending community college this will prepare them. They won't have to take them over. Mrs. Serino explained the changes to the current school calendar. Instead of having an Act 80 on May 26th, we will be in school that day. That will allow us to get out a few days earlier. A make-up day will be on Easter Tuesday, a ½ day on Holy Thursday and we will be off Good Friday and Easter Monday. That is contractual. The last day for students is June 21st and June 22nd is the last teacher day. Graduation is still June 16th. Seniors will have to come in on three Saturdays.

Roll Call: Mrs. Valenti, yes, Dr. Campenni, yes, Mr. Bolin, Yes, Mr. Stofko, yes, Mr. Yorina, yes, Mrs. Yochem, yes, Mrs. Farrell, yes, Mrs. Gober-Mangan, yes.

Motion passed.
