## Calhoun Eagles Proudly Present...

**Important Dates:**

**Dec 21 – School In Session**

**Dec 22 – Early Out @12:30 pm**

**Dec 23-Jan 1 – No School, Winter Break**

**Jan 5 – Students Return, First Day of 3<sup>rd</sup> Quarter/ 2<sup>nd</sup> Semester**

### Science, Science Everywhere

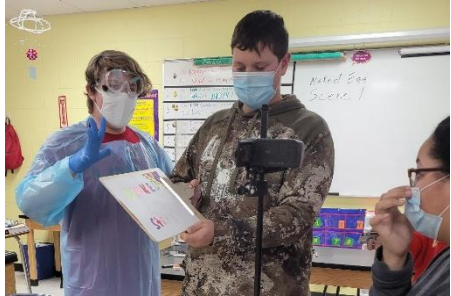

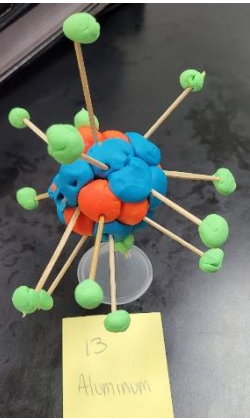

In Ms. Bourland’s 5<sup>th</sup> Grade Science, the students brought in their project models of the earth and how it moves around the sun. The project had to be able to rotate and revolve around the sun. She is so proud of their hard work and amazing creations!

Mr. Duensing’s science classes have also been hard at work. 6<sup>th</sup> Grade Science studied the atmosphere and air pollution. 7<sup>th</sup> Grade Science experimented with fire and thermal

energy. 8<sup>th</sup> Grade Science created a video for virtual students of the naked experiment, where they tested how fluids pass through a cell membrane. 9<sup>th</sup> Grade Science created a full-sized periodic table. Biology performed a leaf pigment chromatography lab. Ecology studied natural disasters.

### Quiz Bowl

The Quiz Bowl team won one match in their most recent tournament. The experience was different and challenging (zoom, masks, and social distancing were required), but it was a great time, overall. The participants were Hunter Marriott, Garrett Ethridge, Lain Hill, and Jacob Knecht.

### Head Start Applications

The Early Childhood Center is now accepting Head Start applications for children birth-5 years of age. Please call (660) 694-3344 and speak with Heather Hollinger to arrange a time to come in and fill out an application.
