Pixellot Supplemental Agreement (Self-Installation)

This Pixellot Supplemental Agreement ("Addendum") is entered into as of Addendum Effective Date 2080 Media, Inc. d/b/a PlayOn! Sports ("PlayOn") and **North Thurston Public Schools** ("School"). We refer to the prior agreement between School and PlayOn dated as of where School received **FOUR (4)** Pixellot automated production systems ("Prior Agreement"). This Addendum provides for School to perform installation of the Pixellot systems (without the use of PlayOn installers or resources) and receive a credit or reimbursement upon completion, per the terms and conditions described below.

Pixellot Installation Definition. "Pixellot Installation" refers to the installation of *all* Pixellot systems that School received in the Prior Agreement, and is defined as follows: **(1)** Pixellot hardware (camera and computer) must be physically installed in the venue; **(2)** Pixellot computer must be plugged into an active internet source; **(3)** School network must be configured according to NFHS Network specifications; **(4)** Pixellot system must be calibrated by NFHS Network Production Support; **(5)** the Point-to-Point wireless internet bridge must be installed if there is no plug-in internet at the School stadium.

Installation Date. School agrees to start Pixellot Installation on [_____] ("Start Date") and complete Pixellot Installation within one (1) week of Start Date.

Reimbursement or Credit. Provided that School completes Pixellot Installation within one (1) week of Start Date, PlayOn will provide School with a reimbursement or credit, as applicable, equal to the One-Time Fee amount of _____ (\$_____), as specified in the Prior Agreement. If PlayOn is required to send an installer to School to complete any portion of the Pixellot Installation, then School will not receive reimbursement or credit.
