

Dear Parent/Guardian,

The free/reduced meal eligibility status of your child(ren), which was based on last year's eligibility status, expired on Monday, Sept. 21, 2020. Households in which the eligibility status expired are in jeopardy of not being eligible for free or reduced meal status after December 31, 2020 when the current USDA waivers expire. These waivers are currently allowing the Elmore County Child Nutrition Program to serve breakfast and lunch meals to all students at no charge.

Meal applications make a difference! Did you know students eligible for free/reduced meals can receive additional benefits beyond free meals?
