### **What if any arrangements have been made for student meals during the closure?**

Beginning on Thursday, March 19, 2020 bagged lunches will be available in front of Ardmore High School from 11:00 to 1:00. Please remain in your car and the meal will be handed in to you. You may request as many meals as are needed to feed the number of students you are feeding. The students do not have to be with you to get the meals. The current plan is for meals to be available every weekday till April 3, 2020. We will pass along changes to this as they happen.
