Principal's Notes

As the spring semester begins to wind down, know that this has been quite a year. Our students have worked diligently to learn the knowledge and skills needed to be successful in the upcoming school year. Parents, thank you for all your support and patience. We had many successes and some challenges, and it is with your partnership that our students had a wonderful and productive school year. We hope everyone has a safe and enjoyable summer!

Attendance at school is very important. When students arrive late or are picked up before dismissal, teaching and learning are disrupted.

The school schedule is 7:55am-3:30pm!

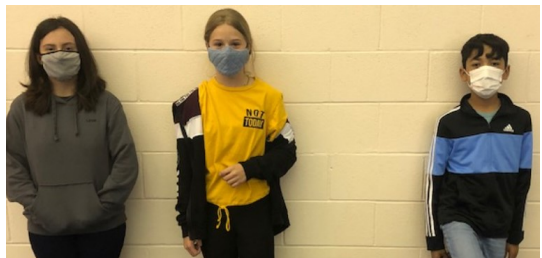

Instruction takes place until 3:30pm. Picking up students early will result in missed class content.
