Our District has been notified that an employee who works for the District has tested positive for COVID-19.

School Board Members

While we are being told the employee has not been in contact with any of our employees or students since the employee began showing signs of COVID-19, out of an abundance of caution we are informing you to be watching for potential signs of symptoms. Those symptoms include: cough; shortness of breath or difficulty breathing; chills; repeated shaking with chills; muscle pain; headache; sore throat; loss of taste or smell; diarrhea; feeling feverish or a measured temperature greater than or equal to 100.0 degrees Fahrenheit; known close contact with a person who is lab confirmed to have COVID-19.

Jeff Phillips
President

Bo E. Allen
Vice President

Mark Hanson
Secretary

Based on the information that we have gathered, it has been determined that the end of the 14-day incubation period for anyone possibly exposed on campus to the employee is June 10, 2020.

Board Member

Out of an abundance of caution, we advise you to monitor your health, follow the [CDC guidelines for people who have had close contact](#) and contact your primary care physician if you develop symptoms.

Vickie Ratliff
Board Member

District is continuing to monitor this situation and will provide additional information as needed. We hope for a successful recovery for our District staff member.

Charles "Chuck"
Woods
Board Member

Sincerely,

Steve Howard, Superintendent
