

Thursday April 2nd Reading Lesson

On Tuesday you read Chapters 1-5 in the Tiger Rising. Attached you will find two worksheets. One is working on Vocabulary that you should have studied and the second is working on questions based on your reading.

Vocabulary Worksheet:

Try your best to do this on your own. If you have a parent, grandparent, sibling, or anybody at home, have them read the questions to you. I don't want you to use your notes or anything to help you on this! I want to know how much you remember from studying your words.

Comprehension Worksheet:

Answer the questions based on what you read in Chapters 1-5. Make sure to use complete sentences in your answers!
