DRAGON

HERE COMES 1978!

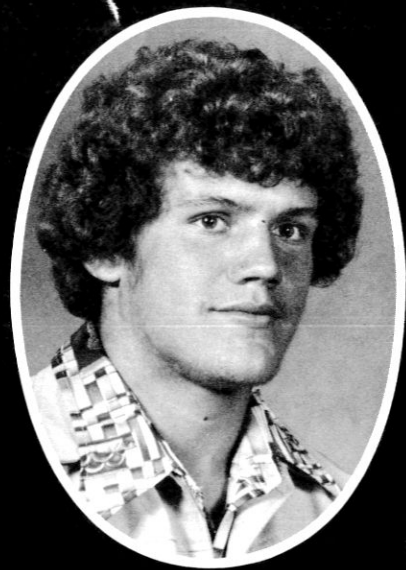

Class Motto:

Life is a one-way street, no matter how many detours you take
you can't turn back.

Class Flower Baby's Breath and Red Roses

Class Colors - Silver and Mint Green

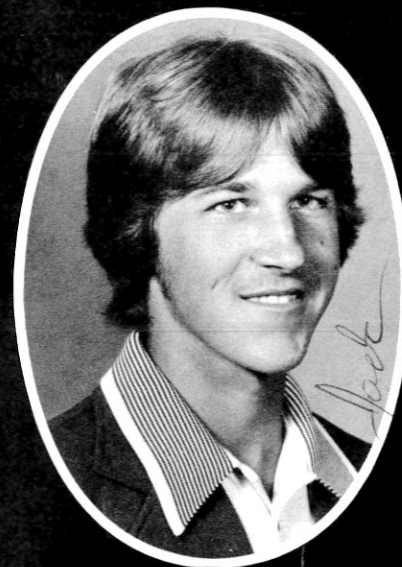

Tom Pink

He's quiet, but easy to get along with.

Ann Leach
President

A sunshiny smile against the blues.

Jack Bronczyk

There must be a lot of work inside of him, for little of it has ever come out.

Darla Donaldson

It's nice to be important, but it's more important to be nice

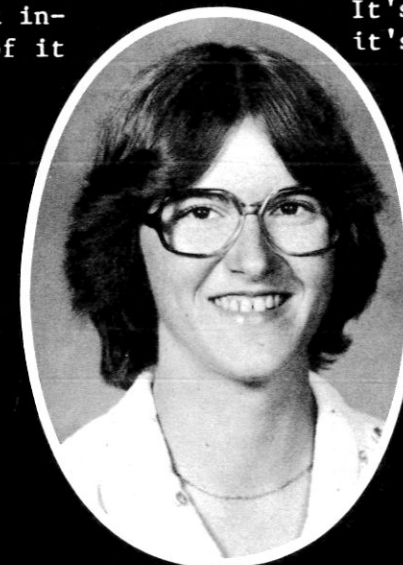

Cathy Combs
Student Council

I'm right; the world's wrong

Barry Pula

I don't know where I'm going, but I'm on my way.

Brian Swanson

Here he comes, there he goes, what he's up to nobody knows.

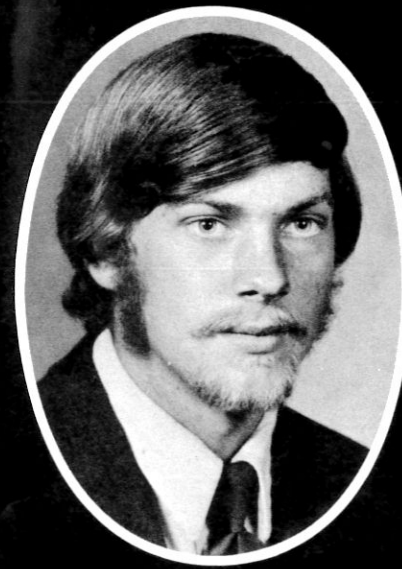

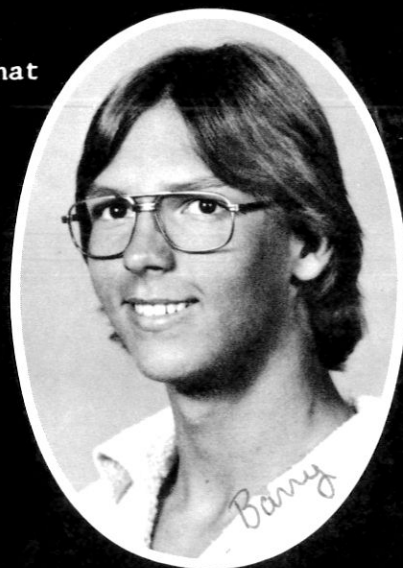

Bill Carlson

So sleepy in the morning so wide awake at night.

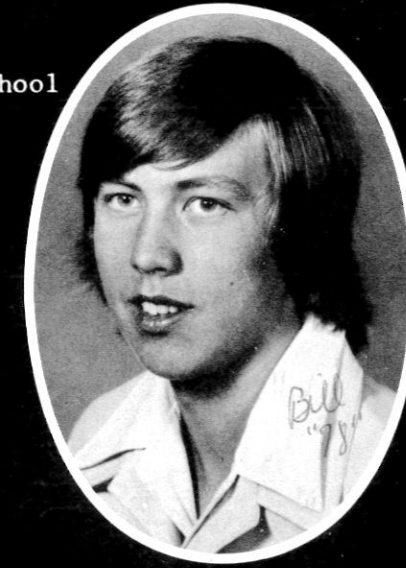

Cindy Hoyum
Secretary - Treasurer

It's quality not quantity that matters.

Jessica Gamble

I'm learning a lot but school seems to interfere.

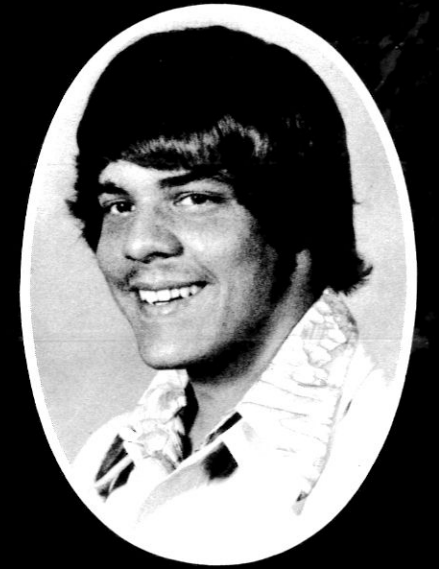

Stephanie Nelson
Nobody could suppose it but I'm naturally bashful.

Kaye Grundmeier
I don't believe in love at first sight, but I took a second look.

Cheryl Sonnabend
Shut up, I'm not arguing with you - I'm telling you.

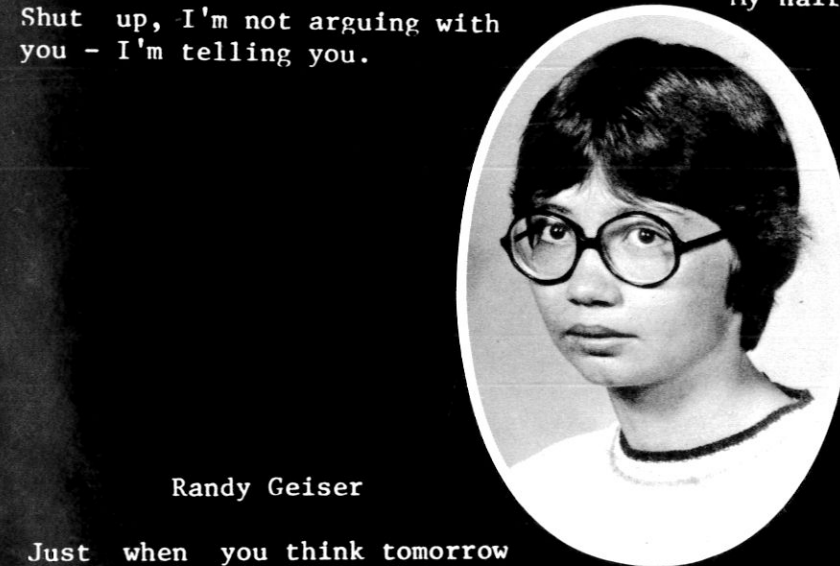

Bill Buck
My hair is too dark to be an angel.

Shawn Sizemore
Language is a wonderful thing. It can be used to express our thoughts, to conceal our thoughts, or replace thinking.

Judy Nistler
Not a sinner, not a saint, but you can't make a girl what she ain't.

Randy Geiser
Just when you think tomorrow will never come, it's yesterday.

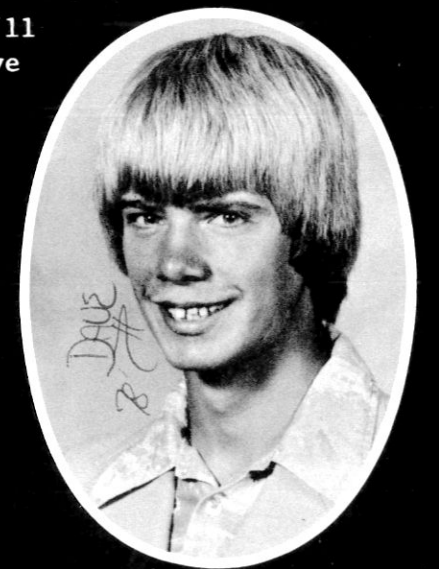

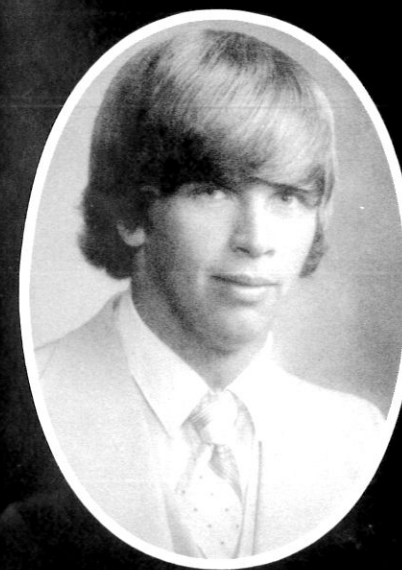

LeeAnn Krogseng
If in doubt, fake it out

Sheila Bowe
I am always at a loss to know how much to believe of my own stories.

David Hughes
Why worry about life, you'll never get out of it alive anyway.

Al Neft

The thing I want to get school most is myself.

Julie Halvarson

If you can't figure me out, use a dictionary.

Jim Van Asch

If conceit were gold, I'd be a Millionaire.

Vanessa Weidenborner

She may be quiet but she knows

Denise Petrowske

If you think I'm confused now, wait till I graduate.

Cheryl Beaulieu

Sometimes happy, sometimes sad, sometimes naughty but never bad

Candy Petron

What's life without a little foolishness now and then.

Dean Henjum

My minds made up, don't add to the confusion.

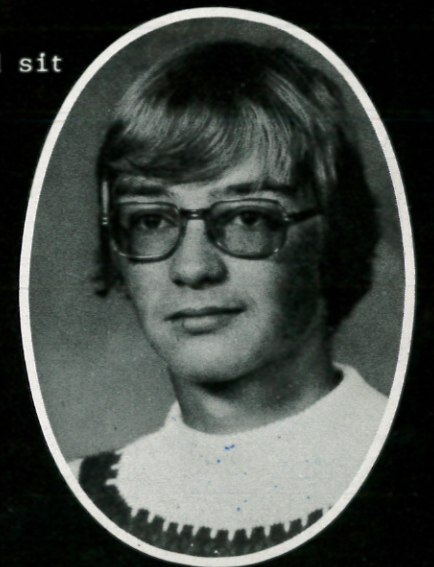

Colleen Kemmer

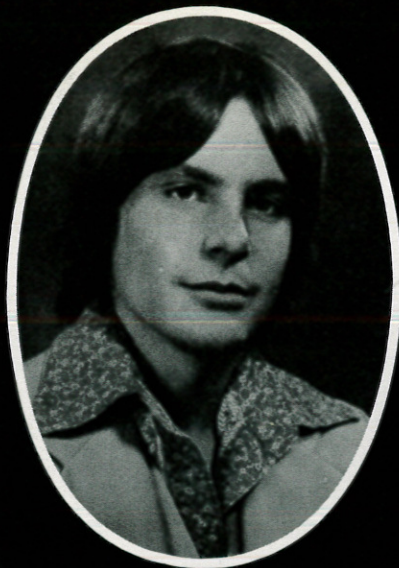

I stuck my foot in my mouth again today.

Paul Jansen

Work fascinates me, I could sit and watch it forever.

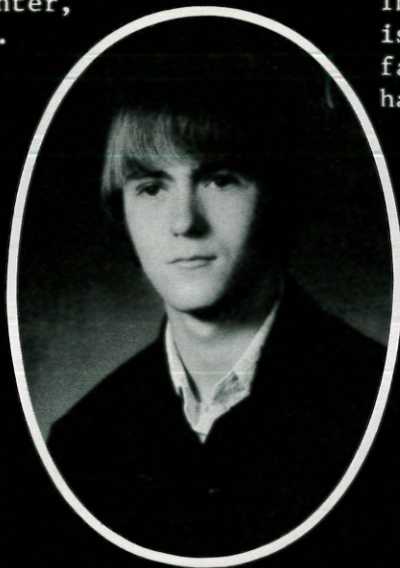

Rick Stokke

Always out late with daughter,
but never up with the sun.

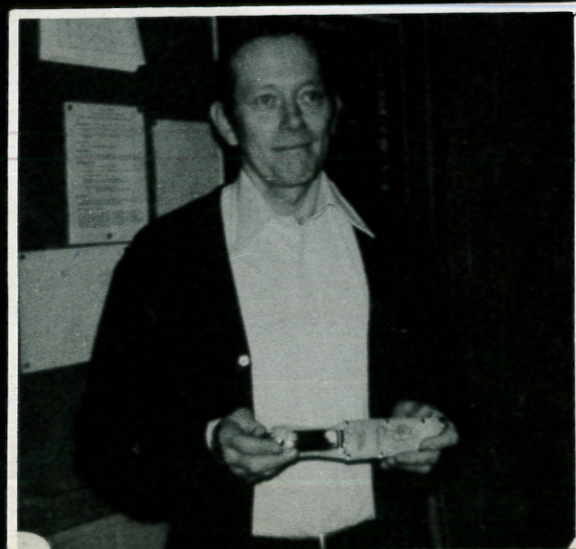

Ron Johnsrud

The trouble with some people
is that they won't admit their
faults. I'd admit mine if I
had any.

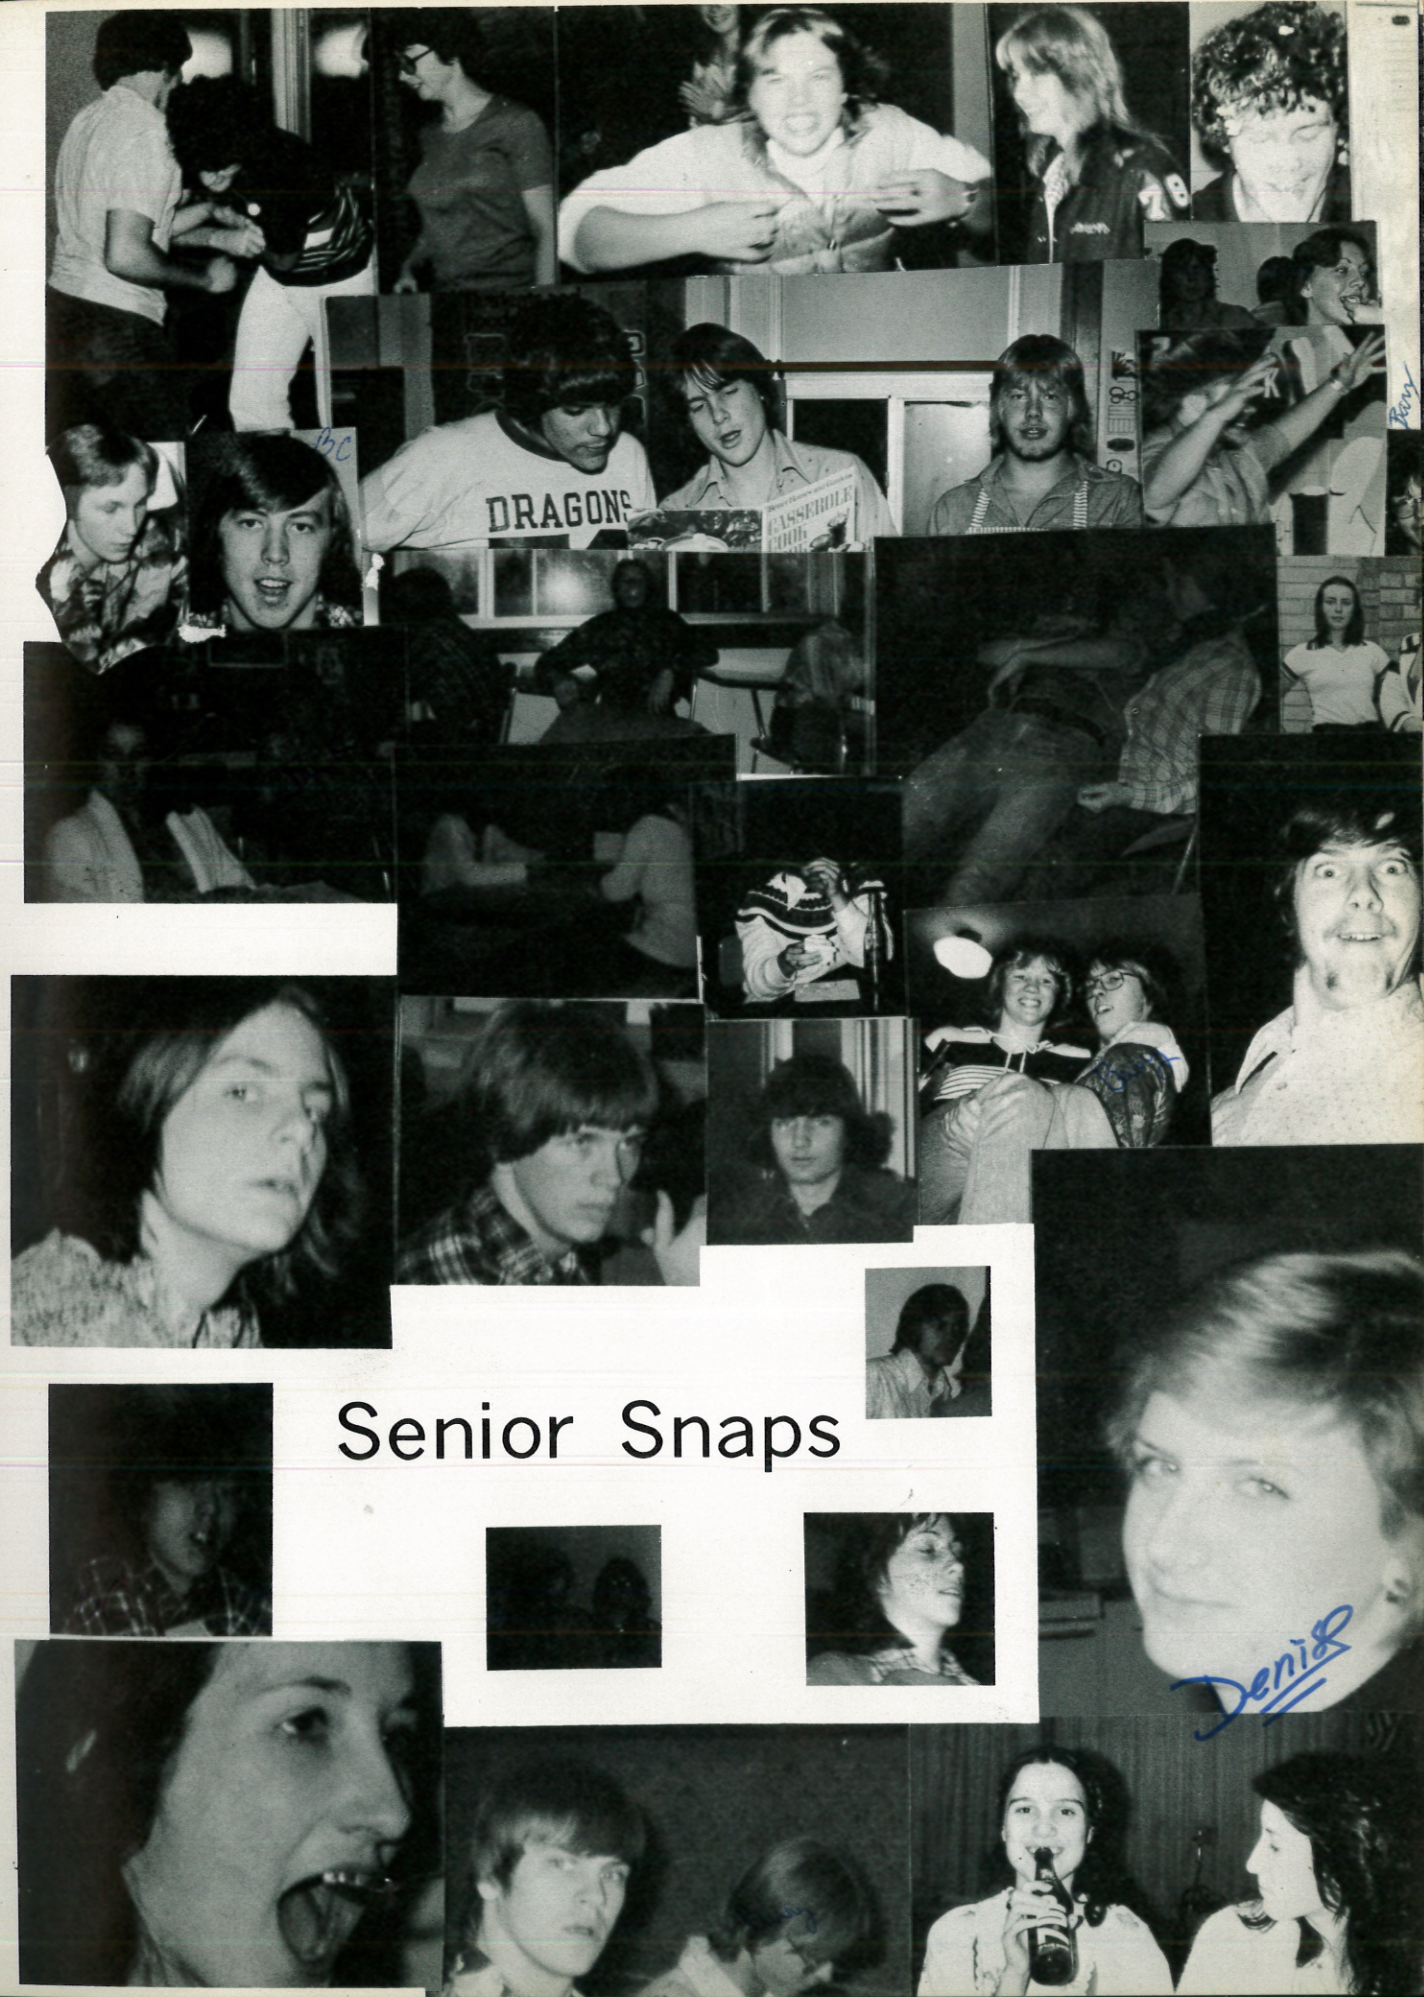

Daryl Edin

Whenever I get an idea to study,
I lie down until it goes away.

Denise's

Life

Mellicie,
Good luck to a really intelligent and quite grown up girl.
Next year you'll have to watch that squirely Lora so she
doesn't blow up the Science lab. Any way, take it easy and
have lots of fun in your ~~see~~ remaining years here they go by
so fast!! Shaver!

This
great,
growing,
traumatic,
dramatic,
beautiful,
crazy,
terrific
year.

ELEMENTARY

SIXTH

GRADE
