Dear Parents:

We are excited about a new year with the club, *Developing the Heart of a Champion*, at Lott Middle School. Your child has the opportunity participate. The club will meet during lunch on the first Tuesday of each month. Students will be allowed to take their lunch to meet with the club.

The club is designed to develop character traits to help them be a champion throughout life. Some of the methods will include discussing character topics such as attitude, responsibility, honesty, choices, etc. while eating lunch. These topics will be reinforced by projects such as school beautification, service team building drills, attitude actions toward others, and activities that can be used to reinforce character that produces success. This program is designed for one purpose, to assist the young person in making choices that will produce character for success.

We need your permission for your child to participate in this part of the club. If you agree for your child to participate please return this letter.

Thank you so much for letting us share in your child's future.
