

Wendell School District No. 232 assures its locally developed standards for elementary school student instruction meet or exceed the minimum state standards. Instruction is inclusive of subject matter, content, and course offerings and includes special instruction and learning opportunities for students who are limited English proficient, accelerated, learning disabled, and those with other disabilities.

This district will provide a core of instruction at the elementary level as follows:

1. Language arts and communications will include instruction in reading, writing, English, literature, technological applications, spelling, speech, listening, and cursive writing.
2. Mathematics will include instruction in addition, subtraction, multiplication, division, percentages, and mathematical reasoning and probability.
3. Science will include instruction in applied sciences, earth and space sciences, physical sciences, and life sciences.
4. Social studies will include instruction in history, government, geography, economics, current world affairs, citizenship, and sociology.

In addition to the core of instruction set forth above, the district will offer the following instruction to all elementary school students:

Fine Arts (art and music)
Health (wellness)
Physical Education (fitness)
