CARVER ELEMENTARY SCHOOL

PRINCIPAL'S CORNER

Dear Parents,

I thank you for attending open house and the award's program. It was with great excitement to see so many parents come out to support their children. I look forward to seeing you at other events as well.

Although the data for the first nine weeks was not as encouraging as I anticipated, I am confident that your child will excel the second nine weeks. I encourage you to work along with the teachers to ensure that your child can achieve his/her highest potential. I recognize that in order to be a successful school, our children need support from both the home and the school.

As partners, we share the responsibility for our children's success and we at Carver will do our very best to carry out our responsibilities. I ask that you guide and support your child's learning throughout this school year.

With Carver Pride,

Principal Hawkins

Librarian's Corner

Ms. C. Smith

Parents,

I am thrilled to be the new Librarian here at Carver. My goal is to provide a vital combination of resources and activities that help students acquire not just information, but the skills and judgment to make good use of that information. I will work closely with teachers to reinforce appropriate reading strategies and encourage self-selection of library material. I am a dedicated educator who believes that every single child, regardless of age, cultural background, learning style, gender, sexual orientation, socioeconomic status, or proficiency level is capable of academic success.
