Southaven Elem School	0	2

Number of school staff with a positive COVID test on the week of **Sept.8th – Sept.11th**: 11

*13 of the 14 cases at Lewisburg High School were student-athletes on one sports team.

Disclaimers:

- It is possible to have quarantine situations on a campus without a confirmed student case. These situations occur as a result of a close contact with an employee.
- Because private schools are included in DeSoto County information provided by the Mississippi State Department of Health, the information above could be slightly different than data in Mississippi State Department of Health reports.
- These numbers do not include students who are quarantined by the Mississippi State Department of Health for situations that are not school-related.
