Dear MCES Parents:

MCES is in the process of forming a school council. The establishment of school councils is intended to help local boards of education develop and nurture participation, bring parents and the community together with teachers and school administrators to create a better understanding of and mutual respect for each other's concerns, and share ideas for school improvement.

MCES is seeking nomination for 2 parents to serve on the school council. One parent will serve for 1 year and the other will serve for 2 years. After the second election, each term will be for 2 years each. The council will meet quarterly.

To qualify to serve, your child must be an enrolled, attending student at MCES.

Elections will take place on Thursday, September 26, 2019 at our Open House Meeting at 6:00 pm. You do not have to be present to be elected.

The school council is not taking the place of the former PRP. That organization is being reinstated and will be discussed at Open House.

Please fill out the bottom of this form and return to the front office or you may email your nominations for parent representatives to Dr. Elizabeth at ecrawford@miller.k12.ga.us

Teachers may not serve as parents on this council.

Please reach out to the principal if you have any questions.

Dr. Elizabeth Crawford

MCES Principal
