September 24, 2020

Polk Avenue Community,

A positive case of COVID-19 was identified at Polk Avenue today. We are working in consultation with the Florida Department of Health in Polk County (DOH-Polk) and are diligently following CDC guidelines to mitigate the spread of the virus. Those who were identified as close contacts to the positive case have been notified and instructed to self-isolate for 14 days.

All areas of the campus that were affected will be deep cleaned per CDC -recommended guidance.

We are committed to making your student's learning environment on campus as safe and healthy as possible. We are doing everything possible to ensure we continue following CDC guidelines to ensure the health of our Polk Avenue Community. Thank you for your ongoing patience as we all work through these trying times. Together, we will overcome this.

Sincerely,

Gail Quam
Principal
