

**Safe Return to In-Person Learning Plan
Public Comment Summary
6-18-21**

Cornerstone Montessori Elementary School's Safe Learning Plan was shared with the Cornerstone community on August 26, 2020. Parents were invited to discuss the Plan on August 27 and August 28.

The Plan was revised and redistributed on December 1, 2020, following several Covid exposures in the on-site childcare program. Parents were invited to give feedback through a series of surveys administered in our Learning Plan Updates, emailed to all families at least once per month.

Cornerstone Montessori Elementary School's Safe Learning Plan was revised to reflect a return to in-person learning on April 2, 2021. Parents were invited to give feedback through email and surveys.

The In-Person Safe Learning Plan was redistributed to families on June 4, 2021, and an explicit request for comment was issued.

No comments have been received as of June 21, 2021, however feedback received prior to the request for public comment centered around questions of the school-day length, ventilation, and access to Montessori materials. This feedback was considered and addressed individually and in all-school email updates.

We will continue to follow the In-Person Safe Learning Plan updated 4-1-21 for the 2021-22 school year until updated guidance is provided by MDE.
