

## 2ND GRADE ART LESSON WEEK 2

The lesson for this week is to draw a baby deer called a fawn. We have deer as a part of the ecosystem in Carroll County. Have you ever seen one? The fawn we are going to draw today will be laying down in tall grass. The guided drawing video shows the deer being drawn with oil pastels and then painted but you can use whatever you have on hand. Pay attention to the video! It will review several things we have already learned in art!

### Supplies:

Pencil  
Eraser  
Oil pastel or crayons or markers  
Paint  
Watercolor paint  
Paint brush  
Scissors  
Glue

### Optional writing:

-If you had a pet deer what would you name it? Write about what it would be like to have a deer as a pet.
