

Bus Ride Application 2021-2022

School administrators and Centerline Charter Company will review this application. They will then determine pick-up and drop-off locations that best fit routing and scheduling for all Cornerstone Montessori Elementary School children. **Transportation is offered within the St. Paul city limits.**

Cornerstone Montessori Elementary School may cancel a child's privilege to ride the bus at any time due to safety/discipline issues as described in the CMES Parent Handbook. **If a child does not ride the bus for ten (10) consecutive days the stop may be cancelled.**
