To our neighbors in Perryopolis,

As a result of the pandemic, the past 10 months have been difficult for families, organizations, and businesses alike. To survive, we all need to work together to raise the funding we need, but not put a strain on the finances of our friends and patrons

Typically, this is the time of year we would be selling tickets to our annual BUNCO at the Library fundraiser – the primary fundraiser we hold. With social distancing that will not be possible this year. After much discussion and consideration, the Library Board has decided to cancel this year's event and hold a fundraiser in the spring.

On Saturday, May 1, the Frazier Community Library, in conjunction with St. Nicholas Church, will be holding a vendor event and Chicken Bar-B-Que at the St. Nicholas Church pavilion. There will be a small fee for each vendor or business that wishes to participate. The Library will be holding a basket and 50/50 raffle, and St. Nicholas Church will be holding a Bar-B-Que Lunch. Spaces will be limited in order for us to maintain social distance and keep crowds to a minimum.

As you begin making plans for your own fundraising events for 2021, we request that you not plan any events for May 1, with the hope that you will be able to attend. As you schedule your future events, please feel free to contact us, and we will advertise your event on our bulletin board and Facebook page.

Working in cooperation with each other will enable all organizations and business to reach our goals. If you have any questions, or require additional information please feel free to contact us at 724-736-8480 or through the Library's Facebook Page.

Sincerely,

The Frazier Community Library Board
