Lesson 2

# What are living things?

Living things grow.
Living things change or move on their own.
Plants and animals are living things.
You are a living thing too.
Look around.
You will see many living things.

THE BIG ? What do plants and animals need?

Lesson 2

Name _____

# What are living things?

**Circle** the two living things in the picture.

**Color** the picture.

Activity 34
Use with page 34.

**Directions:** Discuss with children how living things differ from nonliving things. Then ask children to circle the two living things in the picture. Encourage children to color the picture.

**Home Activity:** Help your child identify living things in and around your home.
