The policy establishes the LEA's expectations and objectives for meaningful parent and family engagement and describes how the LEA will implement a number of specific parent and family engagement activities, and it is incorporated into the LEA's plan submitted to the Georgia Department of Education.

The Cook County School District agrees to implement the following requirements as outlined by Section 1116:

- If the LEA plan for Title I, Part A, developed under Section 1112 of the ESSA, is not satisfactory to the parents of participating children, the school district will submit any parent

comments with the plan when the school district submits the plan to the state Department of Education.
