

Form 470 - 160014153 – No Award

I would like to thank all responders to the e-rate RFP Cottonwood Form 470 # 160014153. Unfortunately, we will not be awarding this RFP due to a small procedural error by the district. We have reposted a new RFP Cottonwood Form 470 # 160024376. The RFP is very similar in nature to 160014153. The changes are not due to the procedural error, but due to the nature of the project.
