

Resources Compiled by SCS Staff

The resources listed below may be valuable for you and/or your student.

www.gonoodle.com

A free website that provides hundreds of videos to get children active. Great for rainy days (or snow days!) and "I'm bored!" moments.

www.spellingcity.com

Search by your school name, zip code (03597), and teacher's name to access your class spelling list. This is a great way to practice spelling words, and students greatly enjoy it! (**Not all teachers use this website.**)

Teacher-recommended apps:

Motion Math (some favorite games include Hungry Fish, Math, and Zoom)

Epic

Starfall

Spelling City

Book Creator

Puppet Pals

Virtual Manipulatives

Splash Math

Webster's Dictionary

Handwriting Without Tears

Bedtime Math

SworKit (Personalized Video Workouts)

TanZen

The visual below is from the "Educational Technology and Mobile Learning" website (www.educatorstechnology.com) and provides a visual for 10 websites you can refer to if you're interested in finding audiobooks for your child.

10 Great Websites to Access and Find Quality Audiobooks for Your Students

www.educatorstechnology.com

Storyline Online

MeeGenius

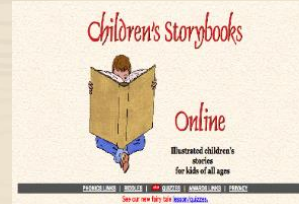

Storynory

Loyal books

Unite for Literacy

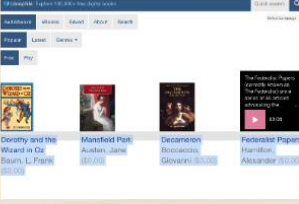

Children's Books

Open Culture

LibriVox

Librophile

Lit2Go
