

Invitation to Negotiate (ITN)
School System-wide Cleaning
Services

Date: June 7, 2021

TO: Potential Participants

Lake Wales Charter Schools is soliciting responses to an Invitation to Negotiate for a systemwide cleaning service at seven (7) school locations and one (1) central office building.

Carefully review this Invitation to Negotiate (ITN). The ITN provides specific technical information to aid participating companies to formulate a thorough response. Should you elect to participate, complete and submit your company's responses to chris.reams@lwcharterschools.com or angela.heyward@lwcharterschools.com.

For more information refer to "ITN information and instructions" below. Late or incomplete responses will not be accepted.

Respondents are fully responsible for obtaining the complete ITN and information concerning the ITN tabulation by visiting our website:

www.lwcharterschools.com/facilities

After the posting of award, Respondents can view the ITN files by contacting the Office of Facilities Director Chris Reams at chris.reams@lwcharterschools.com.

The name of the vendor may be disclosed at a public proposal closing. Because purchases or contractual agreements of this nature require expenditure of public funds and/or use of public facilities, respondents should be aware that a portion (potentially all) of their proposal (including any final contracts) will become public record after its acceptance by Lake Wales Charter Schools Superintendent's Office.
