MR. RON HEIM

KYRRE WIGDAHL

We, the senior class of nineteen eighty-three would like to dedicate our annual to four very special people.

First, to Kyrre Wigdahl, our Norwegian foreign exchange student. Kyrre was born on December 14, 1966 in Trondheim, Norway to Arild and Liv Wigdahl. Kyrre has 1 brother, Snorre 15, and 2 sisters, Line 14, and Trude 9. Back home, Kyrre lives on a farm and has horses, cats, cows (dairy and beef). His favorite sports are soccer, handball, and American football. Kyrre says there were a lot of papers to fill out in becoming a foreign exchange student. When he was accepted he didn't know the Earl Hillman family. When asked what he thinks about living with the Hillman's, Kyrre says, "It's fun! They're like family."

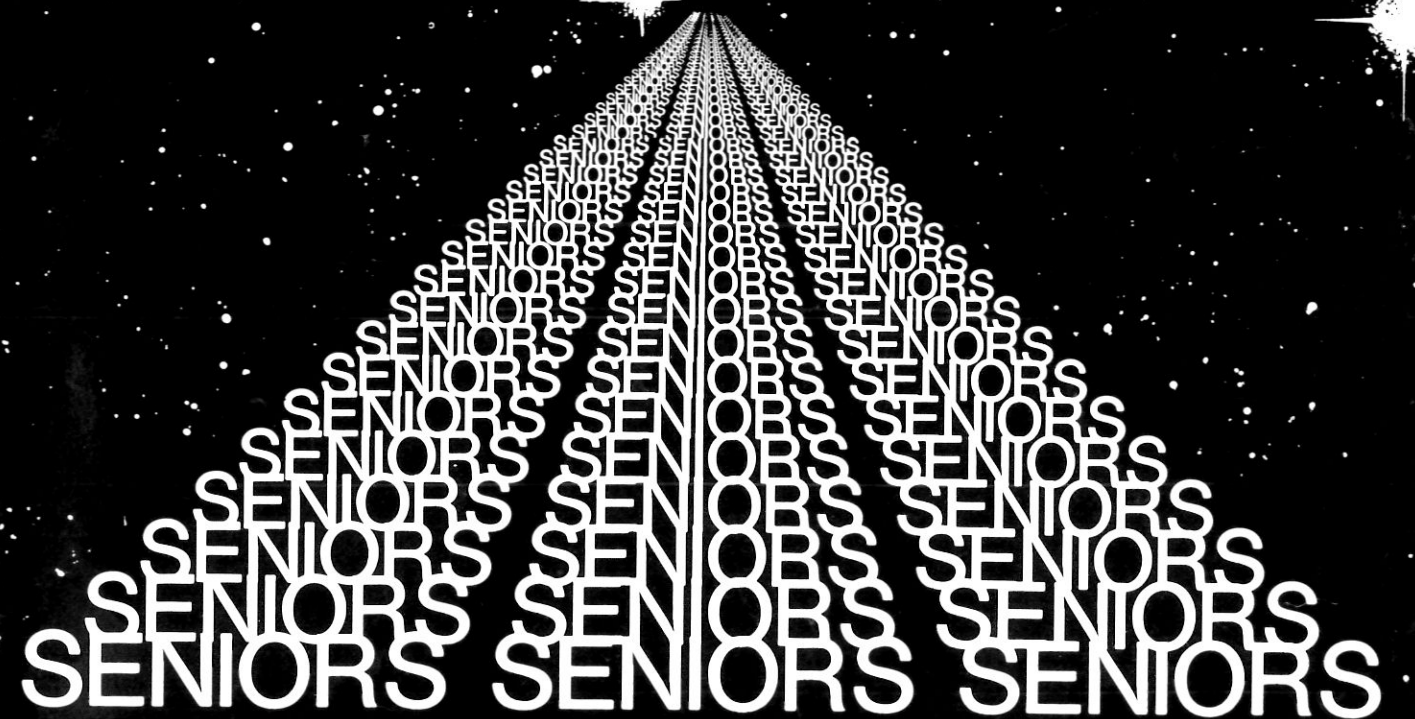

We would like to say how much we enjoyed having Kyrre Wigdahl in our class. You added a lot to our last year at KHS.

We wish you the best of luck in whatever you do after returning to Norway. Don't forget the class of 1983, we won't ever forget you.

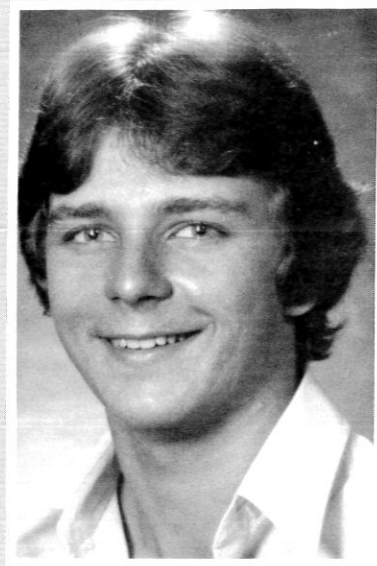

To Mr. Heim, for being our class advisor. Thank you for all your help and understanding.

To Mr. Guenther, for being a teacher, our annual advisor, and just someone to look up to. As an annual advisor he taught us how to work together as a team, and as a good friend who always has time to help us with our individual needs and problems. Thank you. All your help was very much appreciated.

And to our parents for all the love, support, and understanding they have given us throughout our school years. Also a very special thank you to our parents for giving us a second and better start at life.

GLENN GRUNDMEIER, JR.

away.

CAROLYN HILL  
Student Council  
The problem with resist-

may never pass your way  
again.

If there's something I
