INSURANCE VERIFICATION AND WAIVER FORM

Student Name: _____

All students in the Houston County School System must show proof of insurance in order to participate in any athletic activity. If the student's parents do not have coverage, Veterans High School can arrange for an insurance carrier to provide coverage at a modest cost. The insurance coverage will be made available to any interested persons regardless of insurance coverage. However, it is important that you understand that this policy is an excess policy and that your own family or company coverage must pay first.

I hereby relieve the Houston County Board of Education and the Veterans High School Athletic Department and its employees of any financial responsibility or liability for injuries which may occur during practice, competition, or travel to or from athletic events and/or contest.

- I request information for insurance provided through an insurance carrier of the school.
