

K NEWS with Mrs. Fast

Volume # 26

Issue Date: March 16, 2020 I will ...do my best!

- I will...be careful with things!
- I will...listen to others!
- I will...be kind **with my words!**
- I will...listen to the teachers!

We say this little list of rules each day to remind us what makes for a great day. We are adding "with my words" for the lesson of kindness and it seems to help us remember to say things in a kind way to students and teachers. Also, we are adding an s to teachers...we have more than one teacher and our behavior of listening is appreciated wherever we go or with whatever authority is in charge. When we walk with the Lord in the light of His word--what a glory He sheds on our way. While we do His good will, He abides with us still and with all who will trust and obey.

Diffendoofer Day was different and delightful. We had Anna and Cinderella from "Disney" books. We had Curious George by H.A. Rey. And a Cat in a Hat with a thing a ma jig book. I was a penguin named Neatly from the book Tacky and Miss Quiring had a tail as Poise the Kitten in Pink. We had visitors and sidekicks and books, books, books.

When we did "Office Work" on Friday, it went very well. They are ready for the questions in the office book. They liked setting up office cubicles and it will be good whenever we get to do this.

There is a website that we have free access to that I am recommending for the next week or so. Go to www.scholastic.com/learnathome. Go to PreK and Kindergarten and use the user name code Learning20 and the password Clifford and we will be doing the same activities virtually. I checked it out and there is a book that is a fictional picture book read to you or read along, a nonfiction book, a video, and an activity. This scholastic site will be changing and adding each day until we are back together.

Snow Folders are in your hands but we will be closed for a while so I will be sending you things by text too. Please notice on the "AT HOME LEARNING & PRACTICE" sheet that reading is 20 minutes. Please do read or have book time that is a book in a child's hand or an adult reading to a child. Screen time--even a great site like scholastic does not do as much as books.

We can talk on the phone and your child may call me at my home. house(427-2063) cell(507-220-3599) Quarantine days can be together by way of the phone. And let us pray for each other and know that our Maker sees us and cares for us and asks us to care for others.
