District Goals

FROM THE DISTRICT SUPERINTENDENT

Dear Rainier Community,

We have made major modifications to our CIP plan based community feedback. Our modified plan has targeted more district resources for Math, English Language Arts, improved graduation rates, with additional resources targeted on 9th grade on track, and students attendance. We are committed to improving communication at all levels this coming year. The district will also strive to improve the overall school culture with a focus on respecting others and personal accountability. It will be a great school year.

Michael Carter
Superintendent

State Goals

The Oregon Department of Education is working in partnership with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2025. To progress toward this goal, the state will prioritize efforts to improve attendance, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.
