Name _____

A black and white line drawing of a three-tiered cake. The top tier has three small apple-shaped decorations, each labeled "were". Between the tiers are wavy lines representing frosting or icing, each labeled "what". The middle tier has three larger oval decorations, each labeled "went". The bottom tier has four trapezoidal decorations, each labeled "with". The entire cake is surrounded by a border of diagonal lines, with the word "how" repeated multiple times between these lines. The words "were", "what", "went", and "with" are also placed within the spaces defined by the diagonal lines around the cake.

Money Song

Penny, penny,
Easily spent
Copper, brown,
And worth one cent.

Nickel, nickel,
Thick and fat
You're worth five cents.
I know that!

Dime, dime,
Little and thin
I remember
You're worth ten.

Quarter, quarter,
Big and bold
You're worth
Twenty-five, I'm told.
