Home of the Gnats

September 19, 2020

Gnat Families,

We hope you are doing well and staying healthy. Unfortunately, two positive cases of COVID-19 were identified at Dale R. Fair Babson Park Elementary this weekend. We are working in consultation with the Florida Department of Health in Polk County (DOH-Polk) and are diligently following CDC guidelines to mitigate the spread of the virus. Those who were identified as close contacts to the two positives have been notified and instructed to self-isolate for 14 days. All areas of the campus that were affected were deep cleaned on Saturday per CDC -recommended guidance. This includes the classrooms, bathrooms, Media Center and Cafeteria. We are committed to making your student's learning environment on campus as safe and healthy as possible. We are doing everything possible to ensure we continue following CDC guidelines to ensure the health of our Gnat Families. Thank you for your ongoing patience as we all work through these trying times. Together, we will overcome this.

Sincerely,

Elizabeth Tyler
Principal
