Community/Charter School Operation**

**USE OF SCHOOL FACILITIES**

**A. Application Procedures**

In accordance with Conn. Gen. Stat. § 10-239, the Interdistrict School for arts and Communication (**ISAAC**) Board of Directors authorizes the use of any school facility for nonprofit educational or community purposes in accordance with this policy and any applicable regulations. In addition, in accordance with 20 U.S.C. § 7905, **ISAAC** shall not deny equal access to or a fair opportunity to meet, or otherwise discriminate, against any group officially affiliated with the Boy Scouts of America (or any other youth group listed as a patriotic society in Title 36 of the United States Code) that wishes to conduct a meeting using school facilities pursuant to this policy. Use of school facilities pursuant to this policy shall be governed by the following rules and procedures, and shall be subject to such restrictions as the **ISAAC** Board of Directors considers expedient.

Consistent with this policy, the **Executive Director** or his/her designee shall develop and promulgate Administrative Regulations and associated forms governing use of school buildings and facilities by community and other groups. Since the primary purpose of school facilities is for educational activities, such activities will have priority over all other requested uses.

Applications for use of facilities shall be submitted to the following individuals, in accordance with the Administrative Regulations:

<u>Facility</u>	<u>Application Submitted To</u>
For use of school buildings	The Facilities Manager and/or The Executive Director or designee
For use of athletic locations and facilities	The Facilities Manager and/or The Executive Director or designee
For use of other school facilities	The Facilities Manager and/or The Executive Director or designee

Groups requesting use of school buildings and facilities must identify the specific facilities desired, and approval will be for those specific facilities only. All school equipment on the premises shall remain in the charge and control of the building principal or responsible administrator, and shall not be used without the express written permission of the administrator.

Principals and other responsible administrators shall submit copies of each building use form with a notation of whether such uses have been approved. Approval of school facilities by the Facilities Manager or other responsible party may be revoked at any time by the **Executive Director** or his/her designee.

**B. Eligible Organizations and Priority of Use**

Administrators responsible for approving/disapproving requests for use of **ISAAC** facilities will use the following guidelines regarding priority of usage of such facilities:

Order of priority:

1. School-sponsored programs and activities.
2. Activities of school-related organizations (*e.g.* PTO, Booster Clubs, After Graduation Committees and similar organizations).
3. Activities of non-profit organizations operating within the local community, other than school-related organizations covered by category #2 above.
4. Activities of for-profit organizations operating within the local community.
5. Other organizations.

**C. Restrictions on Use of School Facilities**

The following restrictions shall apply to the use of school facilities:

1. Illegal activities will not be tolerated.
2. Use or possession of tobacco, alcoholic beverages or unauthorized controlled substances shall not be permitted on school property.
3. Refreshments may not be prepared, served or consumed without the prior approval of the responsible administrator. Notwithstanding, only those beverages permitted by state law may be sold during the school day. The responsible administrator may permit other beverages to be sold at the location of events occurring after the end of the regular school day or on the weekend as long as they are not sold from a vending machine or at a school store. Upon approval by the administrator, refreshments may be prepared, served and consumed only in areas designated by the responsible administrator.

4. Obscene advertising, decorations or materials shall not be permitted on school property.
5. Advertising, decorations or other materials that promote the use of illegal drugs, tobacco products, or alcoholic beverages shall not be permitted.
6. Activities that are disruptive of the school environment are not permitted.

Any violation of this Policy or any applicable Administrative Regulations may result in permanent revocation of the privilege to use school facilities against the organization and/or individuals involved.

**D. Fees and Other Costs**

Users of school facilities shall be responsible for the fees and costs set out in a fee schedule established by the **Executive Director** or his/her designee. The following guidelines shall be incorporated into such fee schedule:

<u>Category</u>	<u>Fee</u>
1. School-sponsored programs and activities.	No rental fee or associated costs.
2. Activities of school-related organizations (e.g. PTO, Booster Clubs, After Graduation Committees and similar organizations).	No rental fee or associated costs, as long as the activity is not on a weekend.
3. Activities of non-profit organizations operating within the local community, other than school-related organizations covered by category #2 above.	Associated costs.
4. Activities of for-profit organizations operating within the local community.	Rental fee and associated costs.
5. Other organizations.	Rental fee and associated costs.

“Associated costs” shall include, but shall not be limited to, fees for the services of any custodial personnel, food service personnel, security personnel or other personnel deemed by the responsible administrator to be necessary in connection with the use of a charter school facility. Such costs shall be at the rates set forth in the fee schedule. Rental fees and/or associated costs otherwise applicable may be waived by the **Executive Director** or his/her designee if such waiver is deemed by the **Executive Director** or his/her designee to be in the best interest of the charter school.

**E. Responsibility for Damage to Property or Loss of Property**

In order to use **ISAAC** facilities, any organization or individual requesting such use must agree to assume responsibility for any damage to and/or theft or loss of any charter school property arising out of the use of the facilities.
