

# ESOL Vocabulary Builder

## Week One

Monday

Click on the picture to listen to the story.

Make a list of things you notice in the girl's environment.

Think about it...

What makes up an environment? How can we help the environment we live in?

Tuesday

Get

OUTSIDE!

Take a clean piece of paper and a pencil outside. Draw a picture of the environment that you live in. Include things that live in your yard. Be sure to use labels.

Word of the Week:

## Environment

Everything that surrounds us. The environment includes living and non-living things.

Wednesday

## Screen Time

Click on the pictures to see a video and hear a song about helping the ENVIRONMENT.

Thursday

## Be Creative

Create an online story! Write to teach someone HOW TO take care of the environment.

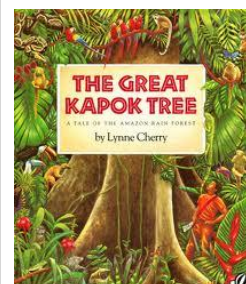

[Click here to Create.](#)

Friday

## Reflect

What have you learned about the environment? What is it? What does it include?

Click the picture to hear the story.

Draw a picture of the environment surrounding the kapok tree. Be sure to include labels.
