Dear Parents/Guardians,

Autauga County School System has partnered with Baptist Hospital to offer a series of two-doses of the Pfizer COVID-19 vaccination to students 16 years of age and older at Prattville Medical Park. Bus transportation will transport students to and from the vaccination facility. Students will be vaccinated, monitored for 15 minutes and transported back to their schools. The first dose will be given on Friday, May 7, 2021 and the second dose will be given on Friday, May 28, 2021.

These vaccinations will be provided at no cost to our students. Parents/Guardians will need to complete the on-line permission form at www.baptistfirst.org and complete the attached Autauga County field-trip form and return no later than Wednesday, May 5, 2021.

Students who receive both doses of the vaccine will possibly be exempt from isolation/quarantine guidelines once two weeks have passed from the last vaccination. Proof of vaccination will be required. For questions and/or concerns, please visit www.cvdvaccine.com.

Sincerely,

Timothy Tidmore
Superintendent
