### **CLASS PROCEDURES AND EXPECTATIONS RESPECT:**

You are expected to act in a mature and respectful manner towards your classmates and teachers during remote learning. An environment of trust and safety is essential to the success of this class. Have a positive attitude and contribute to a positive learning environment. If you see somebody struggling in class, offer encouragement! Treat others even better than you wish to be treated. Give your full attention to each performance (and give applause **AFTER EVERY PERFORMANCE**). Inappropriate language, including profanity and/or insults, will absolutely not be tolerated—negative behavior and attitude destroys the safe environment. This class requires you to perform with and for your peers. You may find this to be challenging, but don't get discouraged! Take academic and performative chances: participate in class discussions, and raise your hand to volunteer an answer to a question. It is ok to make mistakes; that is how learning happens.

### **IF YOU HAVE A QUESTION, ASK IT!**

Directions for the beginning of class can be found in the Unit Folder, make sure to check it every day!

### **PROMOTION POLICY:**

“Students’ success in earning credits toward promotion shall be determined by attendance in class as well as by performance on academic assignments. Therefore, students who have unexcused absences in 20% or more of the classes in a particular course during the period for which a unit of credit is earned shall not pass the course and shall receive no credit towards promotion.”

### **Class Participation:**

Login to class on time, watch recorded lessons if needed, use classroom time effectively, and contribute to classroom activities and discussions.

## **Virtual Performance**

Virtual theatre is something new and unexpected for everyone—including educational theatre. Given that newness, there is a lot of experimentation going on to figure how to best create meaningful stories that work for actors, playwrights, audience members and everyone else involved in making this magic happen.

### **Summative and Formative Assessments:**

These assignments will serve as the capstones of each unit, allowing you to go in depth with the subject matter and express yourself through performance and writing. Summative assessments will be evaluated according to rubrics provided by instructor. Formative are based on group participation and interaction.

Knowing and Understanding, Developing Skills, Thinking Creatively, and Responding. Students will receive Summative Assessment prompts and rubrics well ahead of performance deadlines. Plagiarism is not tolerated. If you plagiarize, you will receive an automatic zero, and your plagiarism will be reported to administration! No exceptions.

### **Theatre Hours:**

Drama is a collaborative art. As such, it is essential that all theatre students contribute to Dunbar’s virtual dramatic productions. Every Dunbar Drama student is required to perform during their assigned Showcase program. Performances are considered test grades and alternative assignments are at the discretion of the instructor.

**We will be following the MCPSS pacing guide. All dates and events will be posted with each assignment given and should be viewed in the calendar tab.**

**All grades will fall under two categories this year: 60% major grade and 40% minor grade. Each student will be given one 40% grade each week and one major grade every three weeks.**

**Students will be counted absent if they do not log onto Schoology each day of the school week. If a student logs onto Schoology and interacts with my class, they are counted present that day. If they do not interact with my class from 12 a.m.-12 a.m. on any given day, you are counted absent for that day.**

Read and sign below:

**I understand that there is a fee of \$40.00 for Drama 2 this year (includes t-shirt and make-up kit). Due to Covid- 19 and Remote Learning, the fee will be \$35.00. When we return to in-person learning the additional \$5.00 will be due. T-shirt order and distribution will also occur at that time.** I understand that behavior inside and outside the classroom is an important factor of being in an Advanced Class therefore, any behavior that demonstrates a lack of honesty, integrity and commitment (bullying, inability to get along with others, etc.) will be grounds for dismissal from both performances and the class.

**I have read and understand the course syllabus.**
