SERVICE HOURS RECORD TIMESHEET

Students: fill out this time sheet as you do art related volunteer work in the community. You should honestly and accurately fill out this sheet for whoever you do the volunteer work for and get them to sign it. Art and design projects, teaching children and participation in art contests may count towards your service hours. Remember, if you get paid to do it, it does not count as service hours. Contact your NAHS sponsor with any questions. Please be cautious and represent HHS well.
