## 18. Approve to accept Connie O'Brien, Ken Burkel and Patricia Stascavage as private transportation drivers for the 2010-2011 school year.

Motion by Mr. DeAngelo, second by Mr. Dominick, to accept the finance report.

On the Question: Mrs. Valenti stated that by not hiring the transportation drivers, the district would be saving \$22,000.00. Dr. Campenni stated that this is a bad situation the district is in with a 1-2 million dollar deficit. Mr. Bolin expressed his concern stating that three people will be out of a job. Dr. Casarella stated the board should have a poll with five members in agreement. Mrs. Valenti responded that we are looking at \$22,000.00. Dr. Casarella made a comment to Mrs. Valenti regarding the 2 million dollars from this board. Mrs. Valenti responded, "Don't even go there." Dr. Campenni asked the board to get the information from Angelo Falzone. At this time, Mr. Bolin asked Mr. Falzone if it would be less expensive to hire the drivers.

Mr. Falzone responded it would be cheaper this year than last year because we have only three drivers instead of four. One driver retired. Last year the average cost for one driver was 15,000. This year it will be approximately \$45,000.00 for the three drivers. Mr. Bolin stated that the district will be saving money by hiring the drivers and three people won't be unemployed. "How can't we vote on it?" Mr. Bolin also stated if the drivers are hired this year, he would be 100% in favor of hiring the LIU next year. Mr. Bolin was very concerned that the drivers would be out of a job. Mrs. Valenti questioned the motive of Mr. Bolin stating Mr. Bolin knows one of the drivers. Mr. Bolin did state one of the drivers was a friend of the family. Mr. Falzone had the bus runs in his hand. Mrs. Valenti asked Mr. Falzone how he could have the driver's runs if the drivers weren't hired yet. Mr. Falzone responded it was a backup. Mrs. Valenti also asked Mr. Falzone who told him to do it? Mr. Falzone responded, "John."

Mr. George Race commented that the district is not here to give jobs out. Mr. Race questioned item 15 under finance, payment of \$7,000.00 to Landmark Bank. Mr. Melone responded Landmark Bank had a relationship with the district and was asked to provide \$15,000.00 for an electronic message board. The district's depository was moved to another bank and that bank has agreed to cover the cost of the sign. We are returning the \$7,000.00 for the initial payment to Landmark Bank.

Roll Call: Dr. Campenni abstained on Item 15, voted no on item 18 and voted yes on the remaining report. Dr. Casarella voted yes, Mr. Dominick voted yes, Mr. DeAngelo voted no on item 18 and voted yes on the remaining report, Mr. Aritz voted no on item 18 and voted yes on the remaining report, Mrs. Valenti voted no on item 18 and yes on the remaining report, Mr. Marianacci voted yes, Mr. Bolin voted yes. Motion by Mr. Dominick, second by Mr. Marianacci, to accept the awarding of bids report.

On the Question: Mr. Race questioned the July base line of the fuel bids and does the profit stay the same. Mr. Melone responded that the gross profit margin must be maintained by the vendor but the base line can be adjusted monthly. This is done to allow the monthly spikes (up or down) in the heating fuel market.

Roll Call: All Board Members present voted yes. Motion passed.

Open Discussion: Mr. George Race praised Denise Holmes for retrieving the information from his Right to Know Request. He turned his attention to Mr. Aritz and stated that Mr. Aritz was in support of the support staff contract and in a past meeting Mr. Aritz stated the support staff hadn't had a raise in eight years. Mr. Aritz responded he didn't say that and Mr. Race responded he had the minutes in hand stating that the support staff did receive a raise. Mr. Aritz then responded by saying the support staff does a great job and they are hard working. Mr. Race responded by saying that is not the point, the board should be representing the taxpayers. Mr. Race then directed his attention to Mr. Dominick stating Mr. Dominick said he never voted for the teacher's contract. Mr. Race stated he had the minutes and Mr. Dominick had voted for the teacher's contract in 1995.

With no further questions, the meeting was adjourned at 8:00 p.m. on a motion by Mr. DeAngelo.
