

Music Lesson Plans, Week 6 (05/11 – 05/15)

****All internet usage should be done under parent supervision****

Pre-K – 2nd Grade

**Pre-K students: You are not able to access Google Classroom, so please look at the document titled "Pre-K Distance Learning Materials" for the links/videos I am referring to.*

*This can be found in the Music Lessons section of the PLES' website.**

- With Quaver Music, you are able to move through lessons at your own pace. This week please focus on completing the next five lessons, wherever you are. If you would like to do more or less, that's totally up to you! For instructions on how to sign up if you have not already done so, please refer to the Music Lessons section of the Pine Level website.
- In my Google Classroom, find the section titled "A Musical Styles Adventure!" Watch the video then see if you can complete the attached sheet of questions. Pre-K, you can find these documents in the Pre-K Music section on the PLES homepage. Once there, click on the document titled "Pre-K Distance Learning Materials," scroll to the bottom where it says "Virtual Music Field Trips," and click on the third link. You do not need to complete a worksheet.
- On my YouTube channel (the link is also on a separate page on the PLES website), choose some book-reading videos to watch – your pick! These are also in the "Mrs. Anglin Reads" folder in my Google Classroom.
- Sing and dance along to videos of your choosing on my Google Classroom page! You will find them in the "Dance-Alongs" and "Sing-Alongs" tabs.
- Feel free to continue to explore Quaver Music, my YouTube channel, and my Google Classroom! TONS of resources, games, and activities are available!
