

## 9<sup>th</sup> GRADE LEVEL-GeorgiaBEST@School

This Individual Resource has been developed to provide you with the ability to make the material applicable and relevant to you as an individual through a real-world critical thinking exercise.

**Instructions: As you get older, get a job, and start establishing yourself in your career, you will discover that working with other people may become a daily part of life. Teamwork and collaboration skills will become very important because you may not get along with everyone at work. Answer the questions below on your experience with teamwork and being a team player.**

1. Why are good teamwork skills a primary requirement of most jobs?
2. List the ways that good teamwork skills can positively impact a project?
3. How do good communication skills enhance your performance as a team member?
4. Give an example of a successful project that you were part of. What was your role? What made this project successful?
5. What actions make a team function successfully?
6. What role do you find yourself taking on a team? Do you naturally become the leader or are you more of a follower?
7. Have you ever been part of a project that failed or you and your team failed to complete it successfully? What happened?
