## Joe Corradi closing out 40 years in education

Joe Corradi

After four decades of teaching and coaching, Warren-Alvarado-Oslo Social Studies teacher, Joe Corradi, has decided to close his final book and retire. His many years in education have seen him touch the lives of many students from these three communities. His presence as a popular teacher and friend to all students will be difficult to replace.

Mr. Corradi's road to a career in education began in the central Iron Range area of Hibbing where he attended public schools and graduated in 1963. Besides himself, he pointed out many other famous Bluejacket alumni including NBA Hall of Famer Kevin McHale; former Minnesota North Stars hockey player, Mike Polich; the Los Angeles Orange County prosecuting attorney in the infamous Charles Manson murder trial, Vincent Bugliosi; and Robert Zimmerman who is better known as rock and roll legend, Bob Dylan.

Following high school he attended Hibbing Community College for two years. Then he took a couple of years off from school and entered the work force being employed at various taconite plants in the Iron Range area. Because of his love for geography and history, he decided to pursue a Bachelor of Science degree in Social Studies at Bemidji State College where he graduated in 1970.

During his college years, he met his wife, Jean whom he has been married to for 40 years. They have two children including a son, Chris and a daughter, Erin, who are graduates of Valley North High School in Oslo. They also have four grandchildren.

Joe began his teaching career at Oslo High School in 1970 where he taught Social Studies and was the Bobcat's head girl's basketball coach. In 1987 Oslo and Alvarado co-oped and became the Valley North Raiders for extra-curricular events. He was also their long-time assistant volleyball coach. Then in 1994, Warren, Alvarado, and Oslo consolidated to become the WAO Ponies. He has taught in Warren for the last 16 years.

Joe is very well known for his Friday current events quizzes and for his huge I-tune collection of 1950's and 60's rock and roll songs. At Warren, he also continued as assistant volleyball coach until he stepped down in 2009.

For the last 10 years he has been the official scorer at Pony boys basketball games. He has always had a love for baseball and softball. He helped out coaching the Oslo Summer Rec baseball program for a number of years. Joe also played slow pitch softball for 15 years including a year when his team won the North Dakota Class A championship sending them to the National tournament played in New York.

## News and Notes . . .

*I am a retired elementary school teacher who lives north of Mankato, MN. I have 5 kids and 3 grandkids. If you don't know me, you probably know one of my following friends: Betty (Anderson) Evin (WHS '47). We have been friends since we were big enough to walk across Fletcher Avenue. Frances (Pinkerton) Fanfulik (WHS '46) and I left Warren for college from the bus depot at the Warren Hotel and Eileen (Stinar) Johnson (WHS '45) is my only living cousin. All my Carlson and Nelson relatives were from Alvarado. My grandfather, Henry Nelson built the bank there. The building, with his name on it was still standing the last time I was in Alvarado.*

Joyce Carson Eaton (WHS '46)

*Dear Education Foundation. I'm honored to be an Education Foundation scholarship recipient. I appreciate your generosity and support of my continued education.*

Tyler Golden (WAO '09)

Dr. David A. Fischer, (WHS '62) has been team doctor for the Minnesota Timberwolves, Minnesota Vikings and the 1992 U.S. Olympic basketball team. Dr. Fischer, a founding physician of the TRIA orthopedic center at Bloomington, was the Vikings' medical director for over 25 years and has been the Timberwolves team doctor since 1989. Dr. Fischer an orthopedic surgeon, specializes in the knee and total knee arthroplasty, as well as sports medicine.

*Thank you for the gong! It will be put to good use!*

Band Director Bill Sedgeman and students Zach Riopelle, Bailey Jenkins, Colton & Keaton Laymon, Tyler Miller, Courtney Holub, and Ryan Sha

Did you know that Sig and Marlene Silnes of Warren are the great-aunt and uncle of twins Jocelyne and Monique Lamoureux of Grand Forks, the two stars that competed in the Vancouver winter Olympics as members of the US women's hockey team? There are six children in the Lamoureux family: Phillipe, Jacques, Mario, Pierre-Paul, Jocelyne and Monique. All the siblings are involved in hockey at some level. Their parents are Pierre and Linda of Grand Forks. Their grandmother is Edith Silness-Soli, (WHS '52) who grew up in Warren and now resides in Grand Forks. Great grandmother is the late Florence Silnes, a lifetime Warren resident.

*Thank you for your newsletter, I must confess that I have been curious about how things have changed since I attended high school way back when!! It has been at least thirty years since I was back there, and it obviously has changed a lot.*

Wayne Selness (Alvarado '65)

### Why Should I Give?

The cost of education is increasing at a rapid rate that far outdistances the resources of the present funding. The goal of the district is to provide each child with a quality education that will equip them with the skills needed to succeed when they leave this district to work, to continue their education at a college or technical school, or whatever they choose to do. It is important for our school to have a resource to assist them in this task.

### How Can I Give?

- 1) Cash payment
- 2) Memorial gift
- 3) Life insurance
- 4) Testamentary trusts and gifts through wills
- 5) Appreciated assets
- 6) Pledge future donations

Establish a Named Benefactor Endowment Fund with an outright or irrevocable planned gift of \$5,000 or more. Scholarship funds and education program areas can be specially endowed with your gift; for example, the Gates Family Endowment for Math and Science.

*Life for our children, our grandchildren,  
and the neighborhood children will be better  
because of your efforts and contributions.  
Be a part of this campaign to ensure that  
our children are equipped to succeed.*

## Golf Scramble Update

Due to the high number of participants in our golf fundraiser, we will be changing the format from an 18-hole tournament to an 18-hole scramble with the first 9 hole's scores to determine the tournament winner. The main objective of the day is for alumni and classmates to spend a relaxing fun-filled day together. Please join us on Friday, July 30th and remember to call the golf course (218-745-4028) to reserve golf carts.

Students are playing the Memory Game which provides excellent practice for developing concentration and memory skills while matching various words. These students are matching rhyming words. Other skill cards included in the game are, beginning sounds, cvc words, upper and lowercase letters, parts of speech, and contraction words.

The WAO Education Foundation is a nonprofit organization and every contribution is greatly appreciated. Even though we have carefully compiled this list of Memorials and Donations, please notify the Foundation if you believe any error has occurred.

# Chat with the Chairman

by Carol Anderson

Dear Alumni and Friends of Education,

Greetings from the Warren / Alvarado / Oslo Education Foundation!

2010 has been another exciting year with the foundation! New and exciting things have happened in the elementary and high school buildings, thanks to the generous donations that have been provided to us. Our donor wall continues to grow, thanks to you!

This spring we facilitated 30 scholarships to 21 WAO seniors totaling \$22,750. We are pleased to have the additions of the following scholarships to the foundation: Richard P. Nelson Memorial Scholarship, Newell E. Aas Memorial Scholarship, Wayne John Grochow Memorial Scholarship, Richard Melgard Memorial Scholarship, WHS Class of 1957 Scholarship, and the Earl and Treasure (Toby) McGregor Scholarship. Thank you all for helping our students as they continue their education.

Our sixth annual “Celebrate Music and the Arts” was very successful. William “Billy” Sætre, former Warren student, came back from Germany where he has been singing opera for twenty years to perform for us. He was accompanied by a friend from Germany and Marlys Murphy from Manvel. In addition to Billy’s part of the program, many local dancers, speech entries, and local musicians performed. There is a wealth of talent in northwest Minnesota! Our willing and able volunteers were wonderful with the decorating, serving and clean up.

Jon Holter left our board at the end of 2009. At our March annual meeting, Tim Finseth was elected to serve the remaining term. Thank you for your service to the foundation, Jon!

Many class reunions are scheduled for the summer. We hope that alumni and friends from near and far will participate in our annual golf scramble that will be held on July 30th during the Marshall County Fair.

Our database is constantly being updated. We now have all of the Oslo alumni entered in, too. If you relocate, PLEASE send us an e-mail at [edfoundation@wao.k12.mn.us](mailto:edfoundation@wao.k12.mn.us) or call us at 218-745-4646, ext. 317, to give us your new address and phone numbers. Our database is only as accurate as you help make it.

Please consider making a donation to the WAO Education Foundation. If our board can be of any assistance to you with more information, please feel free to contact me or one of our board members. “We Can’t Succeed Without You!”

## Corradi

(Continued from Page 1)

His most important activity for retirement will be to spend a lot of time watching his grandchildren grow and participate in school activities. He also hopes to do some traveling in the future. In past years, Joe and Jean were both very active and very talented bowlers, but he concedes those days are over. Whatever the future brings, he will have many wonderful memories of a job well done as an educator.

In closing Joe commented, “I loved all the years I taught. The main reason for that was because of the students I had the pleasure to teach and get to know. It was my goal to make my classes interesting and fun, but also make my students know the main objective for them was to learn. Their willingness to do that always made my job easier.”

## Recognize anyone?

This picture was taken in 1957 when these boys were 10 years old. Kathy (Dalquist) West, a published author and Warren High Graduate of 1966 received this picture from one of the boys in the class, Paul Short. Kathy’s brother Richard Dalquist, deceased, is in the picture as well and she has decided to write a book on this group of men who are now in their 60’s. Her working title for the book will be “My Brother’s Class” and will feature mini-biographies of each of the boys as they have grown up. Some have passed away, many have moved away, and others are still in the Warren area. If you recognize anyone in this picture, please contact Kathy at [west.kathleen@verizon.net](mailto:west.kathleen@verizon.net) or 2310 Bahamas Drive, Garland, TX 75044.

If an individual in the picture is deceased, the family and friends are invited to share what information they would like in memory of that individual. Anyone who recognizes himself and does not wish to participate for whatever reason will have his wishes respected. Please, however, let Kathy know if you opt out of the book. Each participating family or individual will receive an autographed copy of the book when published.
